Report on Career Guidance Session

Objective of Activity:

1. Students will come to know about the career opportunities in Oil and Gas Sector

Outcomes of Activity:

1. Students got information about the career opportunities after B.E.

Name of Event: *Career Guidance Session: Opportunities in Oil and Gas Sector*

Date :19th August 2015

Target Audience : Students of BE Mechanical (A & B Division)

Venue : Seminar Hall Mechanical

Speaker: Mr. Pankaj Shewale , Seadrill America division located in Venezuela

Name of Coordinators : Prof. Hardik Gosavi / Prof.M.S.Hajare

This session was organized for the final year students of Mechanical Engineering. Mr. Shewale who has an experience of over 13 years in Oil and Gas Field conducted this very insightful session for the final year students of Mechanical Engineering. Mr. Shewale had joined ONGC in 2001 and after working for over 9 years he joined Seadrill Corporation a US based company in 2010. He is currently based in Venezuela.

He gave very useful information to the students about the exciting career opportunities in the oil and gas field for mechanical engineers. He also shared his life experience with the students and encouraged them to join this sector for promising and rewarding careers. There was an interactive session where he addressed the queries of the students.
