Academic Year 2018-19
Report on One Day Workshop

1. Event Title: Road Safety Driving on Simulator.

2. Event Date: 24 August 2018.

3. Event Conduction Duration: 12.30 pm to 5 pm.

4. Event Venue: SITRC, Mechanical Seminar Hall.

5. Event Resource Person Details: Mr. S. B. Nangia, Manager Safety Drive Rushabh Honda, Nasik

6. Name of Event Coordinator: Prof. S. D. Katkade

7. Event Objective & Outcome

Objective: To increase the awareness of Safe Two Wheeler Driving among the Students with the Simulator Driving.

Outcome: Students understood the Safe Driving through Simulator Driving and practical demonstration.

Summary of Event:

Sandip Foundations Sandip Institute of Technology and Research Centre, Department of Mechanical Engineering. Mechanical Engineering Students Association (MESA) has organized one day Road Safety driving. This event was organized in association with Rushabh Honda, Nasik on 24 August 2018. The event consists of Simulator Driving, which is proven to be excellent practical and effective educational tool to impart safe driving training techniques for all drivers.
