Subject : Permission to develop PLC trainer kit in College.

Respected Sir,

As we are going to conduct training program to polytechnic third year students in PLC, we require a trainer kit. In this regard we want to develop the PLC trainer kit in the department itself which will cost approximate Rs. 35,000/- for Crouzet PLC. If we purchase a trainer kit from market, it cost Rs. 2,16,250/- minimum including VAT.

Kindly permit us to develop the trainer kit and sanction the amount of Rs. 35,000/- as a development cost.

This is also helpful to for training to Electrical and Mechanical students, as PLC is their part of curriculum.

Thanking you,

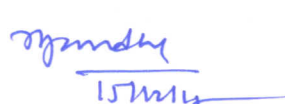

R/sir,
components required for PLC are
to be purchased online. kindly permit.

forwarded to hon. mentor
for approval

Yours sincerely,

Prof. Mrs. G. M. Phade
H.O.D. E&TC,
SITRC.

A/sir,
Submitted for
your kind approval
