Sub: to allow cash transaction for kit development

Respected sir,

As we are developing kits of Microprocessor and Microcontroller and Network Analysis labs, we require cash to purchase different components, PCB and accessories from market which is not possible to purchase from a single vendor. So allow us to purchase it in cash. Following are the details of the cash requirements .

Sr No	Particulars	In-house development cost	If purchased from vendor
1.	Microprocessor –	75,000/-	2,45,000/-
2.	Microcontroller –	35,000/-	2,25,000/-
3.	Network Analysis-	15,000/-	1,18,993/-

Kindly permit us to purchase the items in cash.

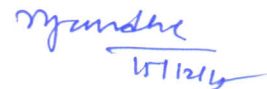

Thanking in anticipation.

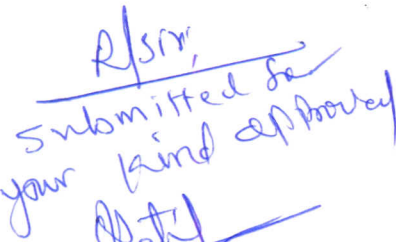

Sincerely Yours

HOD E&TC
SITRC, Nashik

Sir,

As labs will be developed by E&TC. we require the ~~some~~ ^{some} amount in cash. Wherever it is possible we go for P.O. forwarded to Hon. Mentor for approval
