Dr. Gayatri M. Phade	<ul style="list-style-type: none"><li>• Addressed about event that we have organized this workshop to develop our hidden skill and designed our own Ganapati Bappa through imagination.</li><li>• Also through the creativity in future we can help to develop your own venture.</li><li>• Appealed students to grow up with your skills and enhance it through the forum.</li><li>• Focused on the pollution control measures.</li></ul>
Mrs. Ashwini Deshpande	<ul style="list-style-type: none"><li>• She has asked about the basic information of Clay, types of clay.</li><li>• Why we are going to use Shadu Mati (Clay).</li><li>• She has shown the method for how to mix clay. Need to put it constant for minimum 1 hour.</li><li>• Started to teach basic tips when we are making Ganesha Idol</li><li>• Step by step started to design idol. Initially she has given demonstration of base then how to make legs.</li></ul>

- After that how to make stomach and face along with hands and ears implementation.
- Also asked students that put Mukut as per their choice.
- Finally taught about the colouring.

In this way each and every student has come with their own creation of Ganesh Idol. Due to this workshop students get more knowledge about designing and enhanced skills.
