Subject:- Regarding Payment by Cheque for In-house PLC trainer kit to Prof. Rahul N. Deshmukh and Permission to purchase consumable material without P.O.

Respected sir,

As per above cited subject, we have taken approval from you regarding development of In- house PLC trainer kit. Prof. Rahul N. Deshmukh, Asst. Prof. SITRC is going to develop PLC trainer kit.

Kindly, permit us for advance payment of 85,000/- by cheque in favour of Prof. Rahul N. Deshmukh and also permit us to purchase consumable without P.O.

Thanking You.

Subject :- Regarding In-house assembling of PLC trainer kit.

Respected sir,

As per above cited subject, we are in need of PLC trainer kit for our E & TC students to perform the practicals of the subjects such as Control System & PLC and Mechatronics.

As we come to know that **Mr. Rahul N. Deshmukh, Asst. Prof. E & TC Dept., SITRC** has a good hand in preparation of PLC trainer kit. If this kit will be designed In-house by him, it would be good example of revenue generation & also it would be designed according to our subject requirement in reasonable cost.

So, kindly permit us to get it prepared by prof. Rahul N. Deshmukh, SITRC.

Thanking you.
