The Swacch Bharat Abhiyan or Clean India drive was launched on the occasion of 2nd October, the birth date of Mahatma Gandhi. "Clean India" would be the best tribute to Gandhiji. Our students had conducted this activity to keep their premises clean and ensure good civic sense. Students cleaned the entire passage and laboratory, the objective behind the activity was to spread awareness among other students for keeping their surroundings clean.

The thought of the activity was bloomed by our respected HOD Dr P.R. Bhaladhare sir. He encouraged students to participate in such a good cause. The activity was headed by Prof. S. A. Khaire. Student's were enthusiastic while doing this activity.
