“Teacher's Day Celebration”

Name of Program: Teacher's Day Celebration

Venue: Mechanical Seminar Hall & SE CLASS ROOM, DEPARTMENT OF INFORMATION TECHNOLOGY

The teacher's day celebration was held on 5th September in Department of Information Technology, SITRC, Nashik. It was organized by Students Association to show their gratitude toward teachers. Teachers day is celebrated in India in order to mark the birth anniversary of Dr. Sarvapalli Radhakrishnan who was a staunch believer of education and was a well-known diplomat, scholar, President of India and above all a Teacher. When Dr. Radhakrishnan became the president of India in 1962, he was approached by some of his students and friends and requested him to celebrate his birthday as Teachers day. In reply, Dr. Radhakrishnan said, “Instead of celebrating my birthday separately, it would be my proud privilege if September 5 is observed as Teachers Day ”. The request showed his love for teaching profession. From then onwards the day is celebrated as Teacher’ s Day in India. A teacher plays great role in the student’s lives. Teachers are the real shapers of future of the students which can never be ignored. Teachers make their own lesson plan to make education more effective and interesting as well as facilitate students learning.

The entire department was enthusiastic and excited for the celebration right from the beginning of the day. All teachers gathered in the classroom for the celebration. This was followed by a few words by our Head of Department Dr. P.R. Bhaladhare, thanking all the staff members for their support and encouragement. All the teaching and non-teaching Staff were given flowers and gift as a token of love and respect towards the teachers by the students. The event ended on the happy note where students sang a song for the teacher's.

The students took great effort and ensured that teachers enjoy every minute. The efforts of students were appreciated by teachers thus making the event a grand success.
