Workshop on “Software Testing”

Name of Event: One Day workshop on “Software Testing”

Date: 16th September 2013

Duration: One Day

Resource Person: Mr. Atul Palandulkar

Address: Ancyber Technology, Pune.

Event Convener: Prof. Tanmoy Goswami

Participants: TE Students (65)

Venue: Computer Center, SITRC.

Aim: To share ideas and get practical hands-on Software testing.

Objective:

- To guide the students about the testing tools and mindset required for Software Testing in IT industries.
- learn about different concepts related to software engineering especially testing.
- To assist participants in understanding Software Testing from IT industry point of view

Outcomes: Participants learned:

1. Understanding about software testing
2. Students are able to write test cases for given problems.
3. Knowledge about what is Quality, Mindset required for Software Testing,
4. Knowledge about types of Software Testing -Static Testing & Dynamic Testing and Techniques for designing effective and efficient Test cases.

Summary

Computer Engineering Department of Sarvajanik College of Engineering & Technology organized a one day workshop on “Software Testing” on dated 16th September 2013.

The workshop was aimed to guide the participants on mindset required for software testing and the recent tools available to bridge the gap between academia and industry. Prof. Monika Deshmukh commenced the session at 10:00 am by introducing eminent speaker Mr Atul Palandurkar, and then Prof Mahesh Korade welcomed the speaker with a bouquet of flowers.

Having worked at senior positions in many IT giant companies, the speaker had a very direct and practical approach of training to develop required skills and imparted useful knowledge with a lot of real life examples, best practices and pointing out typical mistakes and ways of avoiding those.

The contents covered in the session included in detail about What is Quality, Mindset required for Software Testing, Types of Software Testing -Static Testing & Dynamic Testing and Techniques for designing effective and efficient Test cases.

Finally the session was concluded by vote of thanks by Prof. Monika Deshmukh. We acknowledge and thank SITRC for providing the necessary infrastructure for conducting the workshop. We also thank Dr. S. T. Gandhe, Principal, SITRC for his guidance and motivation in organizing the event
