# **Expert Lecture on “Project and Software Development an Industry views”**

**Name of Resource Person:** Mr. Piyush Rai, IBM, Pune

**Date:** 16<sup>th</sup> January 2015

**Day:** Friday

**Class:** TE Computer and TE IT

**Duration:** 2 hrs

**Time:** 12:50 pm to 2:45 pm

**Venue:** Seminar Hall, Computer Engineering Department, SITRC.

**Coordinator:** Prof. Nikhil L. Kulkarni, Comp Engg Dept, SITRC

**Aim:** To understand the software development phases as per industry views.

## **Objective:**

- 1) Students should be able to develop software and projects.
- 2) Finding appropriate industry views for it.

**Outcomes:** Participants learned:

- 1) Students got knowledge about how to develop software and projects.
- 2) Students got different industry views for development purpose.

## **Summary**

Two hours expert lecture on 'Project and Software Development an Industry views' was successfully conducted by Mr. Piyush Rai, IBM, Pune on 16<sup>th</sup> January 2015, at Seminar Hall, Computer Engineering Department, SITRC. This lecture was conducted for TE Computer Engineering students as well as TE Information Technology Engineering students. The students of SE were benefited from the expert lecture.
