### **Report of “Photography Club on theme Gudi”**

**Name of Program:** Photography Club

**Date of Program:** 6<sup>th</sup> April'2019

**Co-ordinator:** Prof. Sneha A. Khaire

This program was conducted by the students of TEIT. This event's head was Rohan Dani from TEIT. It's notice was given to students on 4<sup>th</sup> of April 2019. It's main theme was Gudi Padwa and Marathi Nava Varsha as Gudi Padwa was approaching soon. It's time to be in full spirits and to turn up with your best self, as Gudi Padwa is around the corner. Yes, we are talking about Gudi Padwa or the Marathi New Year, the vibrant festival that falls on Chaitra Shukla Pratipadā, the first day of the bright fortnight of the Hindu lunar month of Chaitra. According to the Vedic texts, it is considered the most powerful day of the year as Lord Brahmā created the Universe. The event was to be conducted at departmental level only. The main motive behind this event was to make students excite and grow an interest in Photography, come together and share their ideas.

This event was a great success with multiple students taking part in it and growing interest in them and others as well. Students were very curious and keen to know more about event and in the same way they were given what they wanted. There was a huge number of entries from SEIT, TEIT and BEIT. The coordinators took a lot of efforts as well.

Overall this event was executed successfully and fruitfully.

## Event Photos

Adwait Barkale(TEIT) secured 1<sup>st</sup> Prize

Winning Photo
