Report of “FE IT Induction Program”

Name of Program: FE IT Induction Program

Venue: Computer Seminar Hall, Computer Department

Date of Program: 10th Aug. 2018

Coordinator: Prof.Sneha A. Khaire

“FE IT Induction Program” was successfully conducted on Friday, **10th August 2018** at Computer Seminar Hall, Computer Department, SITRC. There were around 45 students attended the program. The program started with address of Hon. Head of department Prof.(Dr). Pawan R. Bhaladhare. Hon. HOD Sir gave a brief information about the department, Vision-Mission of both institute and department. Sir briefed about students contribution in co-curricular as well as extra curricular activities also various departmental activities which will help them to nurture in coming years. He encouraged students to participate in various activities and also giving 100% to their curriculum as activities develop leadership qualities in a student.

Objective of the program is to formally welcome the students and assist them in starting their academic journey. Induction goes beyond understanding students, classes and curriculum. Information about the systems and processes that guide the workplace, as well as college norms, are integral for students to settle in and feel confident; however, it's important to keep in mind the pace at which this is done.

Prof.V.D. Patil sir gave the information regarding training & placement, also the activities which are carried under it for the overall development of the students. Various activities are carried out in the department for students to get aware about the industry orientation. Later Prof.P.R. Pachorkar briefed students about the projects and academics. He also gave idea about project patenting and how well a project can be developed.
