Activity Report

Of

One Day Expert Lecture

On

"Idea Conversion to Product"
(11th August 2017)

Organized by,
Sandip Foundation's
Sandip Institute of Technology and Research Centre

Department of Computer Engineering

Name of Event :
One day expert lecture on "Idea Conversion to Product"

Date :
11ᵗʰ August 2017

Duration :
One Day (3 Hrs)

Resource Person :
Prof. K. T. Talele

Address :
Student activities chair & EXECOM member, IEEE bombay section

Event Coordinators:
Prof. S. M. Walunj (Asst. Professor., SITRC)

Participants :
TE & BE Comp (285)

Venue:
"Seminar Hall" (Computer Department)

Aim:
To know the steps to convert the idea into product.

Objective:
- Carry out the wide range of activities inherent in the design and manufacture of world-class products, including product design, materials selection, manufacturing processes and systems design, and product validation.
- Integrate different manufacturing processes into an effective system for producing goods that can compete in the world market. This includes production scheduling, inventory management, information systems, and system simulation.
- Be skilled in written and oral presentation of their ideas, particularly in the technologies that are essential in the workplace.

- Possess a sense of responsibility to their profession and a desire for lifelong learning so that they can effectively adapt to changing demands in their work environment and perform tasks outside their field of expertise.
- Be aware of contemporary global, societal, ethical, and professional issues in the practice of engineering.

Outcomes :

- Participants learned how to convert project/idea into product

- Understanding of professional and ethical responsibility.

- Recognition of the need for, and an ability to engage in life-long learning.

Summary Report of Idea Conversion to Product

Department of Computer Engg. Organized Expert Lecture on 'Idea Conversion To Product' delivered by Prof.K. T. Talele (Student activities chair & EXECOM member, IEEE bombay section)for TE & BE Computer students. The programme began with the introduction of the eminent guest by Prof.S. M. Walunj The guest then felicitated by Prof. A. D. Potgantwar, HOD, Computer department. Felicitation of guest followed by a very insightful lecture from our guest speaker, Prof.K. T. Talele He explained various topics related to Idea Conversion to Product
