Sandip Institute of Technology & Research Center "Department of Information Technology Organized" Alumini Programme for the IT students on 12<sup>th</sup> Aug 2017. Around 50 Students attended the Program, Event started with the address of the Head of Department Dr. Pawan Bhaldhare has given all the information about departmental goals and objectives towards students and the alumini. How Department Contributed for students with taking different activities for them, sir discussed on points where department focused on the development of students in every field. The objective of the programme is alumini interaction with the students .

The Alumni meet is an event for old relationships to be cherished, celebrated and refreshed and new ones to be formed. The programme activities are linked to the key strategic goals of the carrier, namely enhancing the Student Experience, developing excellence in learning and encouraging students for their future.

The objective of the programme is to address the students about their carrier and assisting them in their academic journey. The Alumini addressed the students with the current market condition and with existing techniques. The alumini shared their experiences with the students which helped the students for focusing on their aims and goals.
