“Blogger Club Activity” is initiated by Information Technology Department. Hon. HOD sir Dr. P. R. Bhaladhare addressed students about the club. The mission of the Blogger Club is to create a supportive environment for students which are really interested in blogging/vlogging to share their creativity, knowledge. The club holds regular meetings and discussions and organize events such as; Creating own Blog, Travel Vlog. Members will also explore the possible opportunities for blogging and organize exhibitions in campus.

**Aim & Objective of the club:**

- To develop and creating own blogging site and its allied activities.
- The aim of the Society is to harmonize all ideas and conduct creative idea talks and other blogging related events with a broader perspective.
- To organize various workshops and talks on the subject of their interest.
- To promote, develop and encourage their art of blogging skill.
- To provide a forum for the open discussion of matters of public interest, in the cause of upliftment of society and to awake integrity and brotherhood.
- To make them Extroverts which is going to build their Communication skill.
- To make them express their feelings by writing their blog.

### Blogging Session :

This session was conducted by Mr. Abhishek Dhilpe from SEIT student. It was totally on creating your own blog, how your blog should be, on which topic you can start blogging, Introduction to Vlogging too and many more things. The session was really impressive for students.
