Outcomes: Participants learned:

- 1) What kind of cyber crimes are faced in last 1month and in what way victims are bullied.
- 2) How they can be a Cyber Ambassdor.
- 3)In what ways they can secured themselves and others.

A Seminar on “Cyber Security Awareness” was successfully conducted by Prof. Swati R. Khokale and Prof. Pravin Pachorkar on Friday, **27th July 2017** at **Computer Seminar Hall**, SITRC.

As the aim to India is to Digitized in every diiferent ways,but it also need to be secured.So Cyber world is in more focused to be the victim in every possible ways.

Cyber Crime rate has been increased by more than 60% as compared to early.Using Hacking on social media accounts,Phishing,Vishing,Smishing and Dark web number of citizens are bullied and the become either the victim or the criminal of cyber crime.So this cannot be vanished at one time but can be reduced by spreading awareness to people.So “Nashik Police Public Partneship Program” iniated by Commisioner Of Police DR.Ravindra Singal this program of “cyber awareness has been started in which they will create cyber ambassadors and they will aware the citizens of nashik to make #CYBERSAFENASHIK

The felicitation function was carried out by the hands of **Hon. Prof. (Dr) P.R.Bhaldhare** Head of Department,IT.
