About the Event:

Department of Electronic and Telecommunication of SITRC, Nashik organized the “E & TC Project Exhibition 2015” in Association with Institution of Electronics & Telecommunication Engineers (IETE) and Association for Students of Electronics and Telecommunication Engineering (ASET).

Objective:

The Project Exhibition mainly caters to second and third year students. It provides them with a professional platform to exhibit their innovative ideas and talents. It is open for all technocrats which makes it versatile.

Total Projects Exhibited : T. E. STUDENTS = 185 (66 GROUPS)

B. E. STUDENTS = 55 (17 GROUPS)

Outcome:

The third year and final year students have demonstrated and exhibited their mini projects. From judges and visitor they got lot of inputs to improve their projects in advance for their Final Examination. They acquired the skills of Presentation in group, leadership and team work through this event.
