

**Sandip Foundation's
Sandip Institute of Technology & Research Centre, Nashik
Department of Electronics & Telecommunication**

Name of Event: Expert Lecture on “Content Based Image Retrieval (CBIR)”

Name of resource person: Dr. A. B. Gonde (Ph.D. from IIT Kharagpur)

Address of Institute: Department of Electronics and Telecommunication Engineering,
Shri Guru Gobind Singhji Institute of Engineering and Technology
(SGGSIE&T), Nanded

Objectives:

1. To create awareness about significance of Content Based Image Retrieval (CBIR).
2. To provide Current status of CBIR Techniques
3. To provide knowledge about various applications of CBIR.

Outcome:

1. Students understood the fundamental concepts of CBIR.
2. Students studied the existing techniques to retrieve the contents from image and research gap in the field.
3. Students learnt the novel methodologies to overcome the demerits of existing work.
4. Students understood the several applications of Content Based Image Retrieval.
