

Sandip Foundation's
Sandip Institute of Technology & Research Centre, Nashik
Department of Electronics & Telecommunication

Date:20/07/2017

Name of Event: Expert Lecture on “IC Manufacturing and fabrication” under Institute Industry Interaction (III Cell)

Date of Event: 19th July 2017

Duration of Event: 1- Day

Name of resource person: Mr.Vivek Desale, Director, Quaint Technomation, Nashik

Name and Address of Company: Quaint Technomation Nashik

Name of Event Coordinator: Prof. R. N. Deshmukh

Participant: TE (E&TC) - 156

Revenue Generated: Nil

Objectives: To upgrade the knowledge about Integrated Circuit Manufacturing process and Techniques.

Outcome: Students got knowledge of different techniques of manufacturing of IC. The different processes of vapours, dopping, creation of layers, pins mounting and final testing of IC.
