**Venue:** Mechanical Semniar Hall, ME dept,SITRC.

**Conducted by:** Prof. Sharmila Zope

**Name of Resource Person:** Mrs.Bakhtawar Krishnan,CEO of KIC Education

**Audience:**SE,TE,BE Students of IT Department.

**Outcomes:** Participants learned:

- 1) How to prepared for GRE,GMAT,TOFEL
- 2) How it can be usefull for career
- 3)Future opportunities

A Seminar on “GRE and its Advantages” was successfully conducted by Prof. Sharmila Zope on Wednesday,**6<sup>th</sup> September 2017** at **Mechanical Semniar Hall, ME dept,SITRC.**

GRE is All India ranking exam useful for pursuing higher education or Jobs opportunities in public sectors.

In session students asked about their future goals and on basis of that they were identified with their level of knowlegde.The survey of all colleges in INDIA,MAHARASHTRA,NASHIK in which throughout passing out engineers per year was done.

Expert Mrs.Bakhtawar Krishnan given seminar on GRE Preparation, and imporatance.In this emerging world of huge opportunities, there are so many paths we can travel through and start our careers. But having a bright and a beautiful future is something everyone wants. So, one must be quite clear about his/her interests. And engineering could be one such interest. There are several fields in engineering such as – Electricals, Electronics and Communication, Instrumentation, Mathematics, Physics, Production and

Industrial, Textile and Industrial, Engineering Sciences, Computer Science and Information Technology, Aeronautics, Architectural and Planning AR, Civil, Chemical, Mechanics, Metallurgical, Aerospace, Agricultural, Biochemical, Biotechnology, Mining and many more. All these branches open up career plans to work in many reputed companies not only in India but also throughout the world. But to aim and achieve these, students must have a strong grip over their respective fields of study. And one of the platforms which tests the candidates' mettle is GRE.

Students also get information about higher study loans , Concept of STEMP and the criteria of scoring GRE,SAT,GMAT,ACT,TOFEL.

The Felicitation function was carried out by the hands of **Hon. Prof. (Dr) P.R.Bhaldhare** Head of Department,IT.
