

SANDIP FOUNDATION'S
SANDIP INSTITUTE OF TECHNOLOGY & RESEARCH CENTRE, Nashik
DEPARTMENT OF ELECTRICAL ENGINEERING
Academic Year 2016-17

Induction Program

Event Title: Induction Program

Event Date: 7th Sept 2016

Event Conduction Duration: 3.00 pm – 4.30 pm

Event Venue: SE Class Room, S- Buliding , Sandip University

Name of Event Co-ordinator: Prof.R.V.Deshmukh

Objective:

- To reduce the initial anxiety all new entrants feel when they take admission in a new organisation.
- To familiarize the new students with the institute, students, staff, departments, educational environment and the organisation.
- To facilitate outsider – insider transition in an integrated manner.
- To reduce exploitation by the unscrupulous environment.
- To reduce the cultural shock faced in the new institute.

Outcome:

1. Students were able to reduce anxiety, nervousness, and absenteeism.
2. Students learned to minimize the reality or cultural shock on joining a new institute.
3. Students were capable of integrating themselves into the organisation and also able to foster the feeling of belongingness to the new organisation.
