About the Event

Department of Electronic and Telecommunication, SITRC, Nashik organized the IET Mini Project Competition under IEI, Nashik. The Mini Project Competition is a unique competition focusing 3rd year E & TC Engineering students, held by Department of E & TC, SITRC. Students from engineering colleges all over the Maharashtra showcased their projects in this event. The contestants were judged in two rounds on various criteria where they demonstrated their projects and ideas.

Total Projects Exhibited : 38

Outcome:

The third year students have demonstrated and exhibited their mini projects. From judges and visitor they got lot of inputs to improve their projects in advance of External Examination.

The winners of the Winner

PROJECT NAME: OP-AMP TRAINER KIT

GROUP MEMBERS: KOLI MANOJ , ARUN KAPADNIS, YAMINI KAPADNIS

COLLEGE: **Sandip Institute Of Technology & Research Centre, Nashik**

1ST RUNNER-UP

PROJECT NAME: LABVIEW BASED HOME AUTOMATION SYSTEM

GROUP MEMBERS: PATIL PRIYANKA I. PAWAR NIKITA A. SHINDE PALLAVI S.

COLLEGE: **Sandip Institute Of Technology & Research Centre , Nashik**

2ST RUNNER-UP

PROJECT NAME: PHASE LOCK LOOP (PLL) TRAINER KIT

GROUP MEMBERS: BHAGWAN KAKADE, PRASAD JADHAV, PRAMOD GITE

COLLEGE: **Sandip Institute Of Technology & Research Centre , Nashik**
