Department of Electronics & Telecommunication

Date: 14/03/2016

On 12th March 2016, Parents Meet was organized by the Department of Electronics And Telecommunication Engineering. The following issues were discussed with the parents-

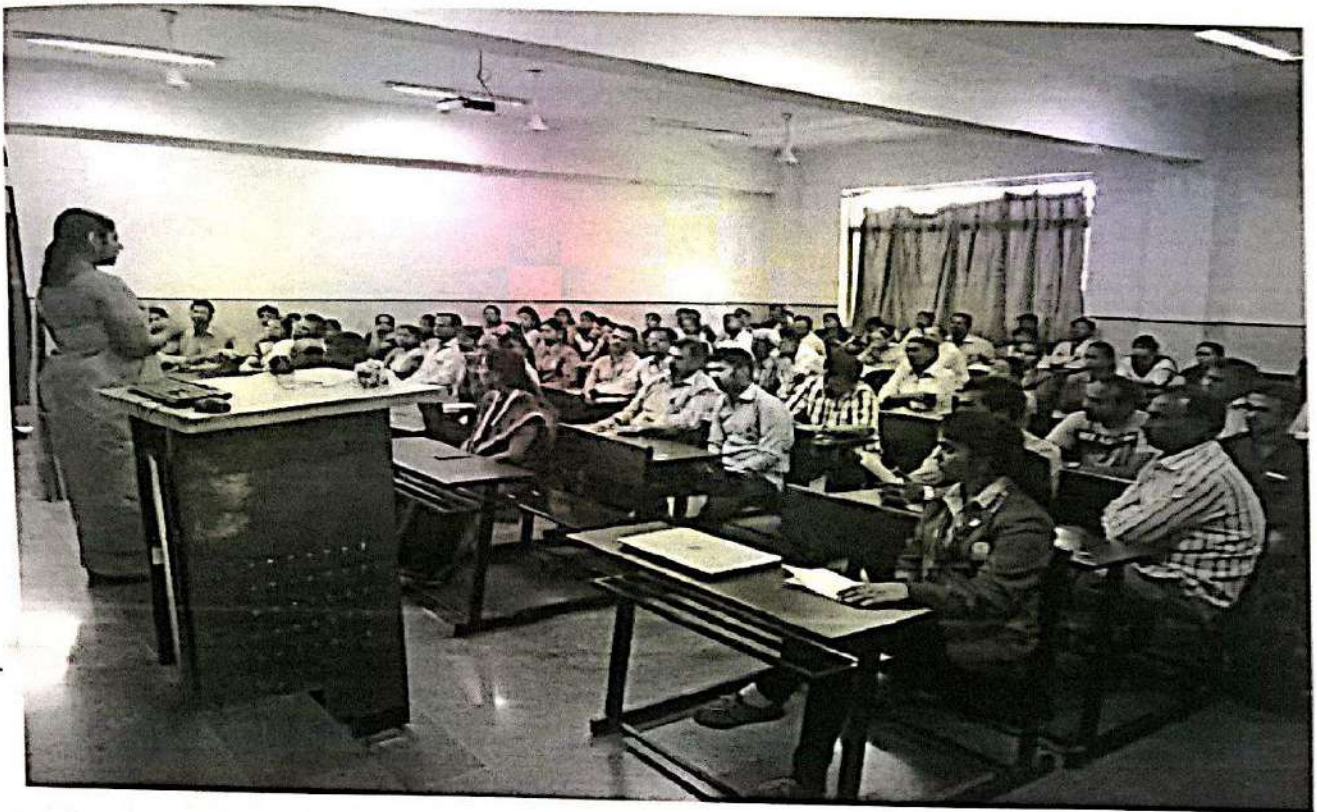

Name of Event: "Parents Meet"

OBJECTIVES:

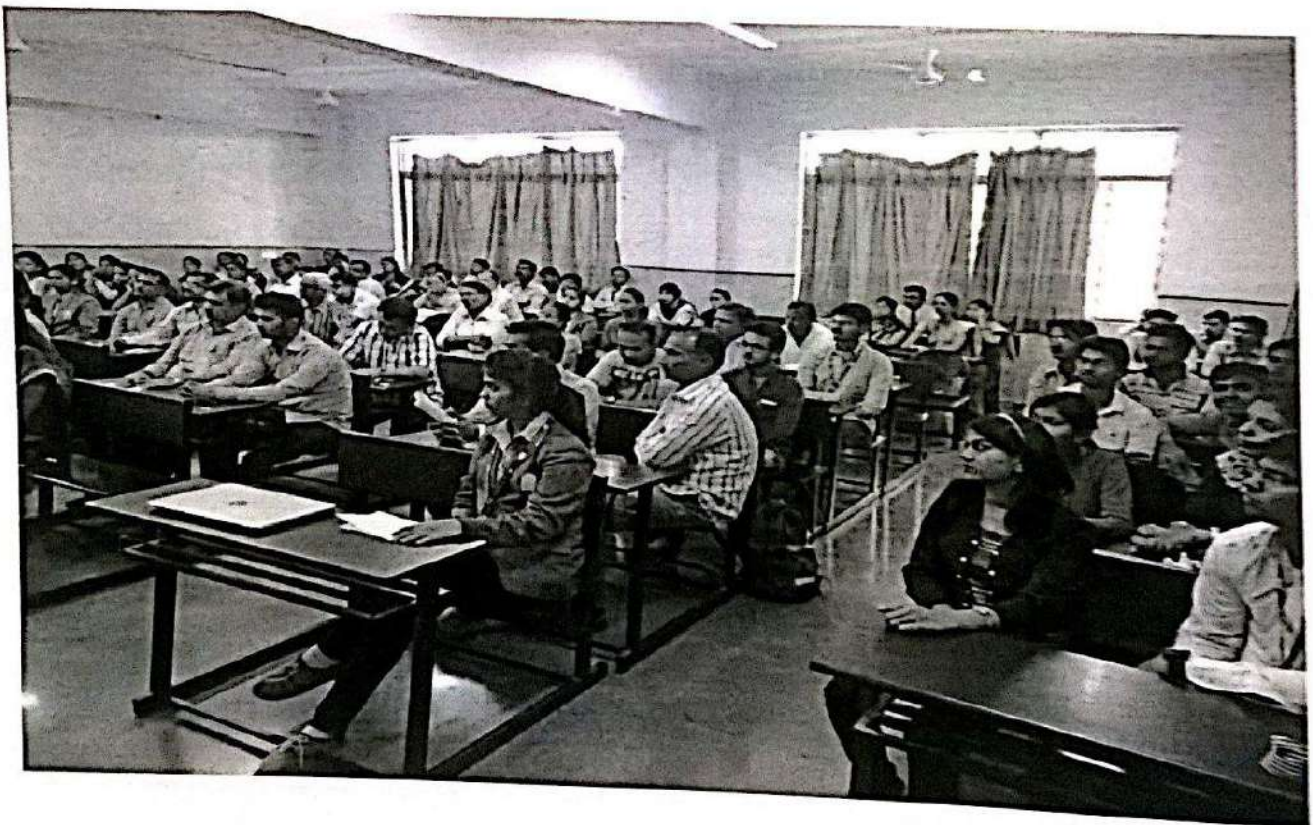

1. To share the views of parents regarding admitting their students in the field of engineering.
2. To know the expectations of parents from their wards as far as the engineering is concerned.
3. To aware the parents regarding the progress of their wards in the department.
4. To explain the exact meaning of arranging the parents meet in the department.

Flow of the program:

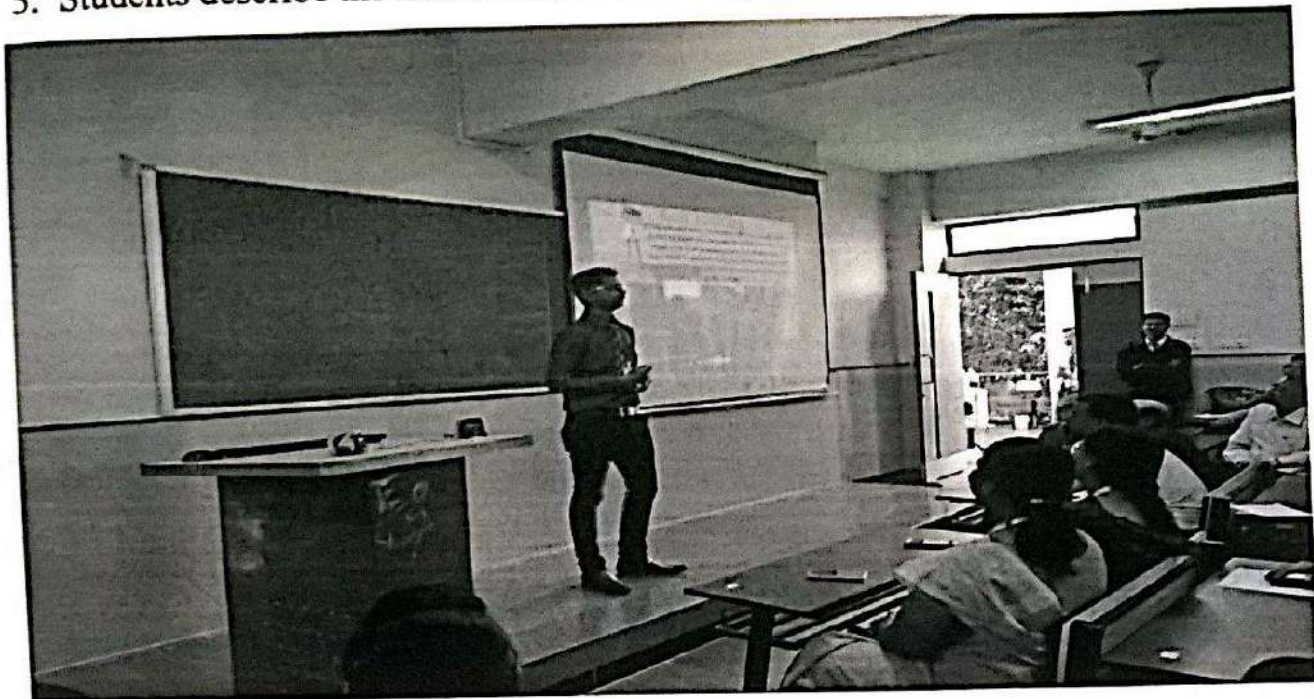

1. The presentation regarding achievement of the students in academic year 2015-16 was discussed with the parents along with the overall result of the class tests and also individual results were discussed with the parents.
2. Welcome speech was given by Head of department Dr. Mrs. G. M. Phade.
3. Then Dr. Mrs. G. M. Phade described the various events and programs conducted in this semester and the achievement of students in every aspects of departmental activities in brief.

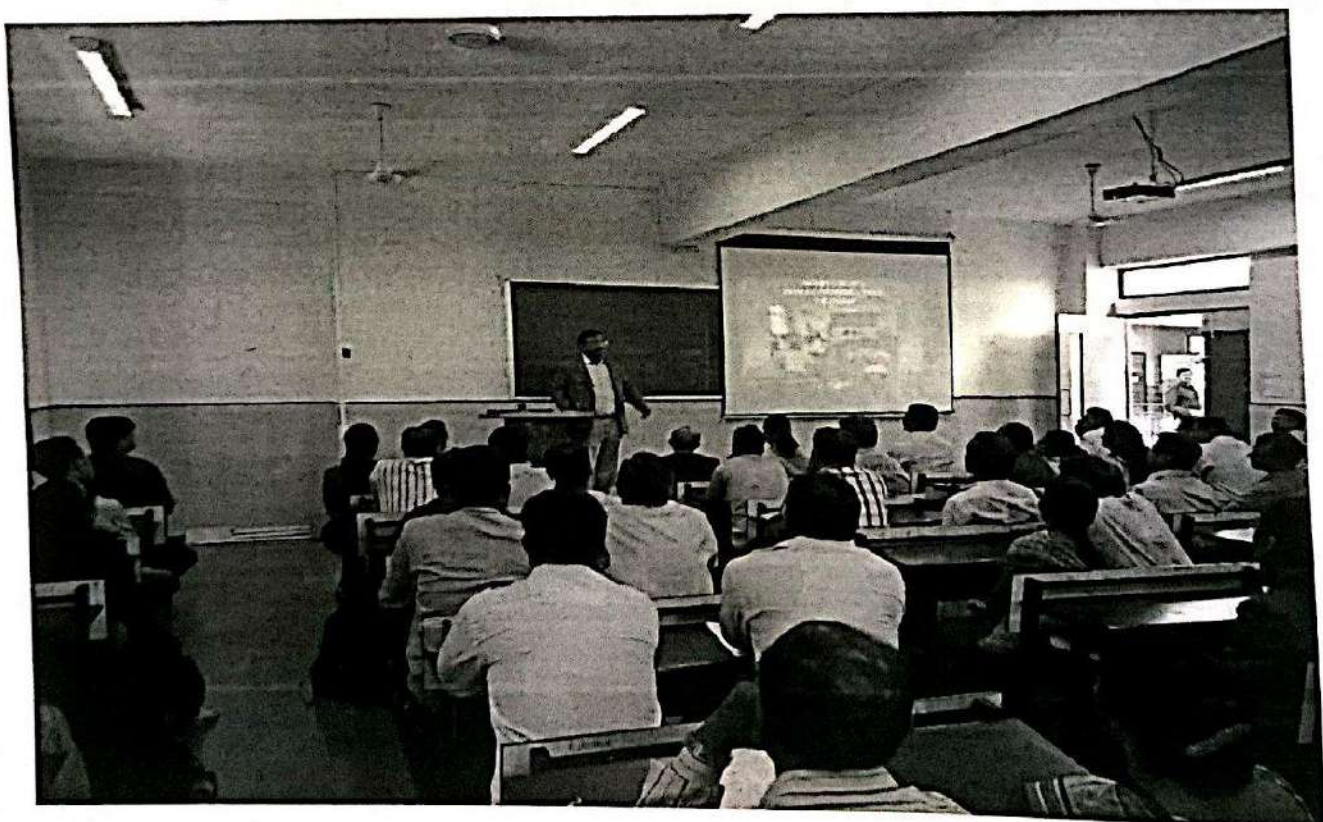

4. Prof. Jagdish Patel described the Tutor System.

5. Students describe the achievement of the department.

6. Thereafter, the queries from the parents were invited regarding welfare of the students and the queries were discussed with the tutors, class teachers and HOD and Principal.

7. Some of the parents suggested that, special guidance should be given to the students in case of soft skill development of the student.

8. Progress reports were given to parents and the progress of the individual student was discussed with the parents by various class teachers and respective tutors.

Summary of parents visited (Class wise)

Class	Total No. of parents visited
SE	45
TE	32
BE	7

OUTCOMES:

1. Parents got the ideas and information regarding the view of E&Tc. department to increase the results and to improve the efficiency of each student.
2. Parents shared feedback of their children regarding their strengths and weaknesses with respect to subjects and requested to subject teachers and tutors to pay more attention accordingly.
3. The parents were satisfied with the "Parents Meet Activity" conducted by the E&TC department, which enhanced to create proper bonding between parents and the staff and also were happy with the performance of Department and the College.
