About Sandip Foundation, Nashik

With this great mantra as our guiding light, Sandip Foundation has been illuminating lives through education over the last one decade. Our active contributions towards the realms of Engineering, Management, Science, Arts, Pharmacy, and Polytechnic Studies have helped shape many successful careers. Our colleges are among the best colleges in Maharashtra and the prestigious affiliations with the All India Council of Technical Education and the Pune University bear testimony to this fact. With our education system that matches global standards, we endeavour to give a rewarding and fulfilling experience to our students. The best education leads to all-round development of an individual. We also stress on the importance of extra-curricular activities and conduct various sports and cultural events through the year. Comprehensive development is achieved with strong emotional quotient and personal grooming. The excellence our students imbibe reflects in their personal and professional lives.

The foundation of Sandip Foundation was laid in Nashik, Maharashtra, over a sprawling 200-acre plot. The lush green city provides a beautiful backdrop to the campus. The campus houses Top Engineering Colleges in Maharashtra and is state-of-the-art with Wi-Fi, fully-equipped laboratories, a library with RFID technology, a computer centre, and a wholesome cafeteria.

The aim behind all our co-curricular and extra-curricular activities is to provide an impetus for young minds to explore other possibilities while they pursue their individual disciplines. It is our belief that education should not be bound. Only then will our students reach their pinnacle of talent and passion. Our focus will always remain on raising efficient, confident and highly knowledgeable engineers, managers and entrepreneurs with global thinking and a futuristic mind set. I expect all my students to have a champion's attitude and an unquenchable thirst for knowledge.

At SITRC we will give you the power to dream, to aspire and to soar towards what you define as success. Let the sky be the limit.

REPORT ON THE AWARENESS CAMP

Considering the objectives of the entrepreneurship awareness programme and the expectations of the participants, the programme contents, delivery and sequence was fine-tuned on the very first day of the programme. During the entire programme participative learning methods like, group work, simulation exercises, role play, case discussions etc was extensively used in addition to informative lectures with audio-visual presentations. The participants were encouraged to challenge the concepts, ask questions and participate actively in the class-room interactions. The class room learning was supplemented by well compiled course material and handouts.

The programme was conducted at Sandip foundations, Sandip Institute of Technology & Research Centre, Nashik for 3 days.

Following is the brief summary of the programme conducted.

The programme started with the inaugural address in the presence of chief guests Mr. Manish Kothari, Director, Maharashtra Pipes & Allied Industries & Pushkar Enterprises, Nashik, Guest of Honor Mr. Sanjay More, Joint Secretary & Chairman Nashik Chapter, Dr. S.T. Gandhe, Principal SITRC, Dr. Rakesh Patil, Dean Admin and Dr. Prasad Baviskar, Dean Academics.

The programme coordinator Prof. Jagdish Patel, EDC Coordinator, SITRC briefed the participants about the structure, design of the programme and spelt out the expectations of the organizers from the participants.

Also, on behalf of IEDC we have given “**Excellence in Social Enterprise Award -17**” to Ms. Pranita Ghatpande and “**Woman Super Achiever Award-17**” to Ms. Yojana Varkhede for their significant contribution in the field of entrepreneur.
