**Objectives:** Training one specifically for existing corporate challenges is a short-term goal. In order to truly empower students, the Placement Cell works on grooming them completely so tomorrow's new challenges can be dealt with effectively. The Cell helps students recognize their skills and shortcomings through a series of tests and workshops. With this information, it provides counseling and aid to facilitate students to work on their respective shortcomings and develop their skills. Furthermore, it conducts general workshops for all students.

This workshop helps students recognize their skills and shortcomings through a series of tests and workshops. With this information, it provides counseling and aid to facilitate students to work on their respective shortcomings and develop their skills. Furthermore, it conducts general workshops for all students so they may develop certain qualities which will aid them in handling personal and career challenges. Leadership skills, problem solving, career management and self management are just some of the focus areas of the Placement Cell. We believe that personality can be shaped and confidence can be built into everyone. It needs expertise and a fine eye to work over the strengths and sensitivity to work over the weaknesses.

Students get improve their professional communication in English for successful business interactions. Each course focuses on a particular area of communication in English: writing emails, speaking at meetings and interviews, giving presentations, and networking online.
