Staff Visit to Mechanical Engineering Department(SITRC)

Date of event: 2//11/2012

Name of Department: Mechanical Engineering

Purpose to Visit : To study the electronics based instruments available in Mechanical Department such as PLC, Load cell, Pressure sensor using strain gauge, Tachometer, LVDT etc.

The following Labs are visited:

Metallurgy lab

Applied Thermodynamics

Theory of Machines

Fluid Mechanics

Engineering Metallurgy

Thermal Engineering

Outcome: From mini projects point of view, this visit proved to be beneficial. Student can do the efficiently build the prototype with the help of instruments available in the Mechanical Department.

Name of faculty members attended the visit:

1. Prof. G. M. Phade
2. Prof. P. G. Salunke
3. Prof. J. A. Patel
4. Prof. Vijay P. Patil
5. Prof. M. P. Mahajan
6. Prof. Ms. Y. H. Mali
7. Prof. Ms. Ankita Chordiya

8. Prof. Ms. Swati Pawar
9. Prof. Archana Patil
10. Prof. M. V. Wagh
11. Prof. M. E. Ingale
12. Prof. V. D. Ugale
13. Mr. P. S. Aswale
