

Sandip Foundation's
Sandip Institute of Technology & Research Centre, Nashik
Department of Electronics & Telecommunication Engineering

Name of Event:

Two Days International Workshop on “EMERGING TRENDS IN ENGINEERING & NETWORKING”

Date of Event: 23rd - 24th February 2018

Type of the Event: Workshop

Duration of Event: Two Days

Name of resource person:

Chief Guest:

Mr. Manohar Shirode, Director, Crompton Greaves Ltd, Jakarta Division, INDONESIA

Speakers:

1. Dr.Mindaugas Kurmis

Head of Information Engineering Programmes, Klaipeda University, Lithuania

2. Dr.Sergej JAKOVLEV

Associate Professor, Informatics and Statistics Department, Klaipeda University, Lithuania

3. Dr. Ashish B. Jirapure

Department of ETC Engg, Priyadarshini College of Engineering, Nagpur

4. Dr. Pranav Lapsiwala

Department of EC Engg, Sarvajanik College of Engineering & Technology, Surat

Name of Event Coordinator: Prof. Jagdish Patel, E&TC Department, SITRC, Nashik

Detail of Participant with Count: Total: 39 faculties participants

National: 34 Faculties

International: 05 Faculties

Revenue Generated Details: Received grant of Rs.2,80,000/- from SPPU, Pune

Objectives:

The prime objective of organizing this workshop is to bring experts and researchers from Academia, R&D centers and industries working in the emerging fields of engineering & networking together and provide them a platform for interacting and sharing their research findings.

Outcome:

Faculties come to know the core area of research in the field of engineering & networking. Also participants got the platform to work on NS2 software.

About the Event:

The workshop aims at creating research interest among the researcher from industry & academia to pursue research as their carrier in the field of engineering & networking.

Inaugural Function

Group Photo with Delegates of the workshop

Session by international Speaker Dr. Sergej JAKOVLEV on topic Wireless sensor networks

Session by international Speaker Dr.Mindaugas Kurmis on topic Cloud Computing

Session by national Speaker Dr. A. B. Jirapure on topic Approaches for detecting fault

Session by national Speaker Dr. Pranav Lapsiwala on NS2 Software on topic Advance topic on research in WSN
