**Report of Value Added Course on “Basics of Auto CAD”**

**Objectives of Activity:-**

1. Students will understand the basic concept of Auto CAD.
2. Students will understand the applications of Auto CAD software package.
3. Students will get hands on training on Auto CAD software package
4. Students will draw the basic drawing of Engineering Graphics.

**Outcomes of Activity:-**

1. Students understand the basic concept of Auto CAD.
2. Students understand the applications of Auto CAD software package.
3. Students get hands on training on Auto CAD software package
4. Students draw the basic drawing of Engineering Graphics.

**Duration of course** – 12 Hours

**Date-** 4<sup>th</sup> Jan 2016 to 9<sup>th</sup> Jan 2016

**Number of participants** – 54 Students.

**Name of trainer** – Prof. Y.R. Falak, Prof. S. M. Mahajan, Prof. N.V. Tungar

**Course Coordinator-** Prof. Y.R. Falak

The “Basics of Auto CAD” workshop organized by Department of Engineering Sciences and Humanities in a collaboration with Department of Mechanical Engineering for the students of First Year Engineering. The main aim of the program was aware the students about basic commands of Auto CAD. Program was started with Introductory welcome speech by staff coordinator Prof. Y.R. Falak, Department of Mechanical Engg. First 4 days Prof. Falak sir guided to

students and taught them about Auto CAD. Next two days session was conducted by Prof. S.M Mahajan and Prof. N.V. Tungar.

This activity was co-ordinate by Prof. Y. R. Falak and Prof. Y.R. Falak, Prof. S.M Mahajan and Prof. N.V. Tungar are the trainer.
