Sandip Institute of Technology and Research Center  
Womens' Grivance Committee

Date :8<sup>th</sup> March 2014

**Aim:** Celebration of Womens Day

**Name of the Program:** "Women's Day Celebration : Road Safety for Women Driver"

**Venue:** SITRC, Campus

**Time:** 01:00 pm To 03:00 pm

**Organised By:** Womens' Grivance Committee and Sandip Foundation Nashik.

**Conducted By:** Members of Womens' Grivance Committee

**Name of the resource Person:**

1. Seva Automobile Staff
2. Dr. S. T. Gandhe, Pricipal, SITRC, Nashik
3. DR. Mrs. G. M. Phade, HOD E&TC Department, SITRC, Nashik

**Audience:** TE, BE Girls Students and Sandip Foundation's Ladies Staff

**Deatils of Events:** On the occasion of womes day Seva Automobile staff guided girls students and staff of the SITRC regarding driving rules and safty of women while driving. They discuss about the basic driving rules of driving like,

- Drivers must drive their vehicles on the left side of the road,
- Drivers shall use the stipulated hand signals or vehicle indicators to indicate slowing down, stopping, turning or overtaking
- Driver must ensure that all vehicle registration marks be displayed clearly and not be hidden by an load or goods stored in the vehicle
- Drivers must follow lane discipline. If turning to the left, the vehicle must be in the extreme left lane of the road and vice versa
- Overtaking of another vehicle moving in the same direction must only be done from the right side of that vehicle
- Drivers must give free passage to fire service vehicles or ambulances

Again the discuss the maintance of the vehicle:

- To keep the car in good mechanical condition and have it serviced regularly by a reputable garage.
- Never run out of fuel. Get into the habit of filling when the tank's half empty rather than waiting for the warning light.
- Get faults diagnosed and fixed promptly rather than waiting for them to get worse or hoping they'll go away.
- Check tyre condition and pressure regularly. Get damaged or excessively worn tyres renewed, and don't forget to check the spare.
