

Activity Report of
"National Science Day -2021"

SANDIP

FOUNDATION

Organized by

Engineering Sciences and Humanities Department

Sandip Foundation's

Sandip Institute of Technology and Research Center, Nashik

Date: 28th February 2021

Event: National Science Day -2021

Venue: Online

Conducted by: Engineering Sciences and Humanities Department

Audience: Students

Outcomes: National Science Day is celebrated in India on 28th February each year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. Science Day is celebrated in India as a powerful advocacy tool to raise public awareness about science and for popularizing science among the masses. This year's Science Day theme is "Future of Science, Technology and Innovation" Engineering Sciences and Humanities Department has organized a Quiz competition for students. More than 143 students participated in this online activity.
