Objectives:

The goal of organizing this program was not only to create awareness among the participants rather to create a concrete guidance on how to start startups and sustain it in long run.

IEEE Entrepreneurship Boot-camp 2021 was launched to trigger the entrepreneurship bugs in the minds of young budding professionals. An activity based learning was the key point of the bootcamp with a relevant influencer sharing experience in startup business. Sessions Impact is when the participants hear success stories of successful entrepreneurs.

Outcome:

IEEE Bombay section in association with Sardar Patel Institute of Technology, Mumbai, Vidyalankar Institute of Technology, Mumbai, Sandip Institute of Technology & Research Centre Nashik, Naman Angels India Foundation, Mumbai, Sardar Patel Technology Business Incubator (SP-TBNI) and SANDIP Technology Business Incubator, Nashik announced Boot-camp on 27th June 2021. The large-scale promotion of this event helped us
