**Name of the resource Person:** Nil

**Audience:** Students, faculty etc.

**Outcomes:**

Innovation day exists " **to encourage young people to be creative and innovative**". While the day focuses on those in their formative years, innovation need not stop with maturity, and those who are older may both encourage the young and dabble in their own innovations today. The Innovation innovation day is celebrated to commemorate the birth anniversary of former President of India, Bharat Ratna Late. Dr. A. P. J. Abdul Kalam

Innovation Innovation Day holds great importance because WCID was first celebrated in 2001, and it was established in 2017 by the united nations to honor the creative and innovative activities of people around the world.

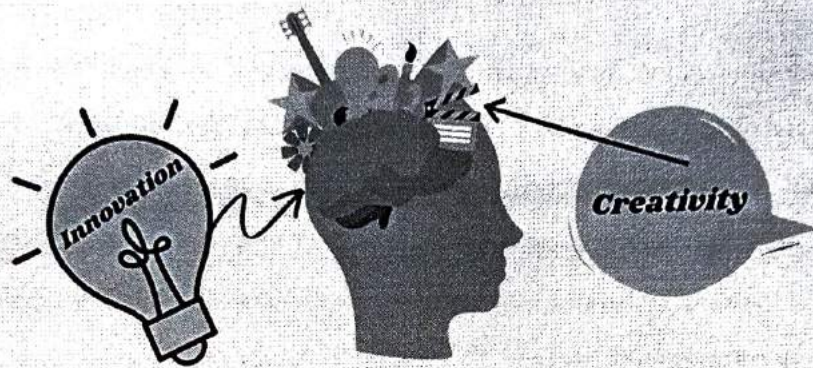

This year celebration is held to recognize innovation and this year, we want to focus on the ingenuity and creativity that's seen through the lens of idea people with different backgrounds. Sciences, Technology, Engineering and Math make up the acronyms STEM.

### **Innovation Innovation Day: History**

The Innovation Innovation Day is celebrated to commemorate the birth anniversary of former President of India, Bharat Ratna Late. Dr. A. P. J. Abdul Kalam. Innovation innovation day exists "to encourage young people to be creative and innovative." While the day focuses on those in their formative years, innovation need not stop with maturity and those who are older may both encourage the young and dabble in their own innovations today

Apart from this, Innovation Day helps youth to come up with their own ideas. Innovation day celebrated for the purpose to generate ideas that solve problem, It looks at world differently, We meet to different people, We share different ideas and also we had visited new culture

Ministry of Education (MoE) Institution's Innovation Council (IIC), Institution of Engineers (India) (IEI) Women in Engineering (WIE) in association with the Department of Civil Engineering has organized a Quiz competition for students. 245 students, faculty from various colleges participated in this online activity through which we tried to create awareness of Innovation Day and its importance.

## *World Creativites And Innovation Day*

Creativity doesn't wait for the perfect moment.  
It's fashions it's own perfect moments.  
Out of ordinary ones.
