Outcomes: IEEE Day is an annual event celebrated on the first Tuesday in October, Celebrations can be held between 25 September and 17 October. Sandip Foundation students celebrated the IEEE Day 2021 on 5 October. In 1884, engineers from all over the world and IEEE members assembled for the first time in history to exchange their technical ideas. Thousands of IEEE members in local areas gather together to collaborate on ideas that utilize technology for a better tomorrow as part of worldwide events. IEEE's core purpose is to foster technological innovation and excellence for the benefit of humanity.

On 5th October 2021 staff and students of SF IEEE member gathered together and celebrated IEEE day. In which Dr. Gayatri Phade convener IEEE, SITRC, Nashik explain about IEEE that IEEE is the world's largest technical professional association dedicated to the advancement of technology for the greater good. Through highly recognized publications, conferences, technology standards, and professional and educational activities, IEEE and its members inspire a global community. She explain student's about the benefits of IEEE membership etc. A small cake cutting ceromancy was arranged by students on occasion of IEEE day celebration.
