Aim: To celebrate World Telecommunication Day -2021

Objective:

Celebration of World Telecommunication Day -2021 and create awareness about technology in students.

Name of the Program: " Online Quiz on World Telecommunication Day -2021"

Venue: Online

Conducted By: Women's Grievance committee, Members of WIE, EWB and ASET

Name of the resource Person: Nil

Audience: Students, faculty etc.

Outcomes:

World Telecommunication and Information Society Day (WTISD) has been celebrated annually every 17 May since 1969 to mark the founding of ITU and the signing of the first International Telegraph Convention in 1865.

The COVID-19 crisis has not only highlighted the critical role of information and communication technologies (ICTs) for continued functioning of societies but has also brought to the fore the startling digital inequalities between and within countries.

Women's Grievance committee, Women's in Engineering (WIE), Engineers Without Border (EWB) and Association for Students of Electronics and Telecommunication (ASET) in association with the Department of Electronics and Telecommunication Engineering has organized a Quiz competition for students. 30 students, faculty from various colleges participated in this online activity through which we tried to create awareness of national technology and its importance.
