

Sandip Foundation's
Sandip Institute of Technology & Research Centre, Nashik
Department Of Civil Engineering
Academic Year 2021-22
Report on Extra Curricular Activities

- 1. Event Title:** Industrial Training and Skill Development with practical knowledge.
- 2. Event Date:** 22-12-2021
- 3. Event Conduction Duration:** 2 Hours
- 4. Event Venue:** Zoom online meeting, SE / TE/ BE students
- 5. Event Resource Person Details:** Er. Gaurav Burhade, Founder of Redlining Structural Academy
- 6. Name of Event Coordinator:** Prof. Raviraj Kapure. (CIVIL Dept. SITRC)
- 7. Event Attendance:** 66
- 8. Event Objective:** Main objective behind this program was to make students of the students of final year and pre-final year aware about the opportunities for a job during and after civil engineering.
- 9. Event Summary:**

All students of S.E T.E and B.E Civil Department have been invited to be a part of this program, this program have organized mainly to spread awareness about the opportunities and support available for young CIVIL ENGINEERS for their career. The topic has been properly explained and elaborated by the speaker, “Er. Gaurav Burhade sir (Founder of Redlining structural consultancy)” He has guided the students thoroughly about the various opportunities for civil engg and the problems faced by students during the engineering and its solution. It was indeed an interactive session where students realized importance of software and practical skills in civil engineering. Mr. Burhade explained all the civil engineering related programs which are running by their coaching institute. Mr. burhade totally explained the role of site engineer and the responsibilities of a site engineer. Also he has given some information about competitive exam.

Students found this session more beneficial from their career point of view and they also had given positive feedback about the session.
- 10. Event Outcomes:** After attending the session, students come to know the actual reality of civil site conditions. Also what type of skill they required to achieve during the engineering. It was a great effort made by the department and the speaker to make students aware about the various opportunities available for students.
- 11. Event photos which must include photos of Inauguration, felicitation, event conduction and valedictory ceremony. (If applicable)**

Some Visual Glimpses:

GAURAV BURHADE STRUCTURE ACADEMY

WE ARE
STARTING
NEW
BATCHES OF
DSS, SD3,
MOS, FM,
MATHS &

ESTIMATE AND COSTING
BATCH 13 & RCC DESIGN
BATCH 4

Gaurav Burhade

Contact - 97644 42490, 79722 65137

After Successful 5
batches of "Estimation
& Costing and Billing"
course,
On demand of
students,
we are now finally
starting with
2nd Certified Course
of

RCC Design

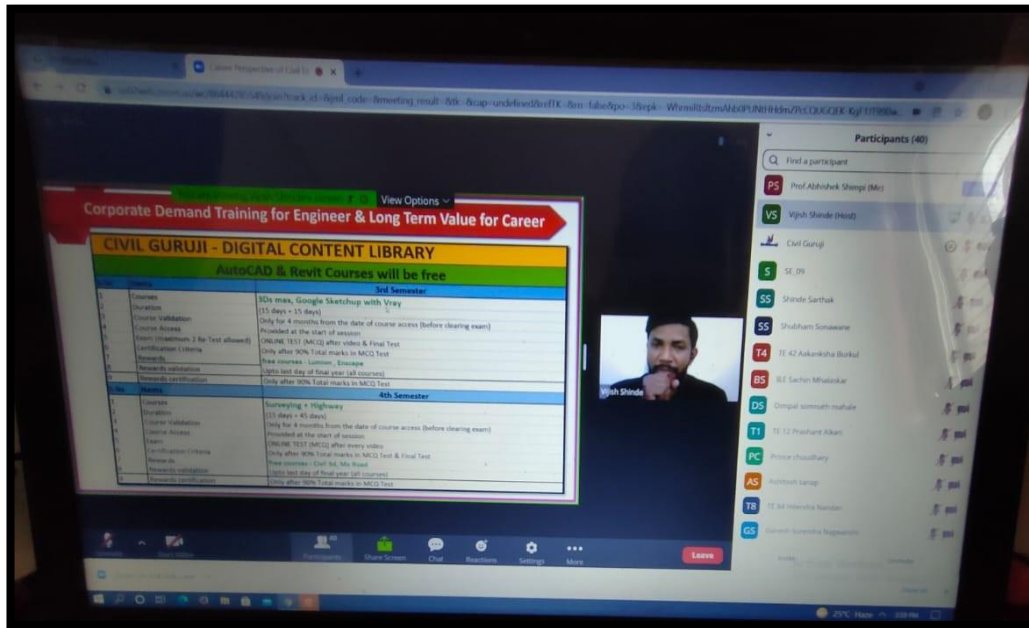

- It will include,
- All the theoretical knowledge of RCC
 - Manual design of Building
 - Software design of same building
 - Comparison between manual & software design
 - Site visit after every design
 - Sessions of well known RCC consultants of Nashik
