

Activity Report
Of
"Problem solution fit & Product market fit"

SANDIP
FOUNDATION

Organized by ,

Ministry of Education's (MoE) Institute Innovation Council(IIC),
Engineers Without Border(EWB),
Women In Engineering(WIE)
Sandip Institute of Technology and Research Centre, Nashik

Date: 26th February 2022

Aim: To attend expert talk on "Problem solution fit & Product market fit"

Objective:

To understand about Problem solution fit & Product market fit

Venue: Online

Conducted By: Ministry of Education's (MoE) Institute Innovation Council (IIC), Engineers Without Border (EWB), Women in Engineering (WIE)

Name of the resource Person: Prof. Vasim A Shaikh, Assistant Professor, Department of Mechanical Engineering, SITRC

Audience: Students, Faculty etc.

Outcomes:

Prof. Vasim A Shaikh, Assistant Professor, SITRC, Nashik conducted expert lecture on "Problem solution fit & Product market fit". In this session he elaborated about the difficulties is startups and the main phases where a startup is likely to be failed. He has focused more on the techniques in finding the problem solution fit and product market fit.

Detailed overview and case studies of many startups were taken for gaining proper knowledge so that one will be able to understand the challenges in problem solution fit and product market fit.

Sandip Institute of Technology and Research Centre, Nashik in association with Ministry of Education's (MoE) Institute Innovation Council (IIC), Engineers Without Border (EWB), Women in Engineering (WIE) organized and Expert talk in which More than 50 students and faculty attended the expert talk.
