Date of Event: 28th February 2022

Type of the Event: Field visit

Duration of Event: 1 day

Mode of Event: Offline

Name of Event Coordinator:

Prof. Jagdish A. Patel- Incubator Manager, SANDIP™ Incubator Association, Nashik

Name of Resource Person:

Prof. Jagdish A. Patel- Incubator Manager, SANDIP™ Incubator Association, Nashik

Detail of Participant with Count: more than 46 students & staff participated

Objectives:

Incubator is designed to spark strategic partnerships between academia and industry. Also, incubators connect students to startups, investors and other collaborators they might not otherwise encounter. In this visit students will understand the activities going on in the incubation center, along with the Maker's space and how it benefits and helps them in exploring the dynamics of entrepreneurship.

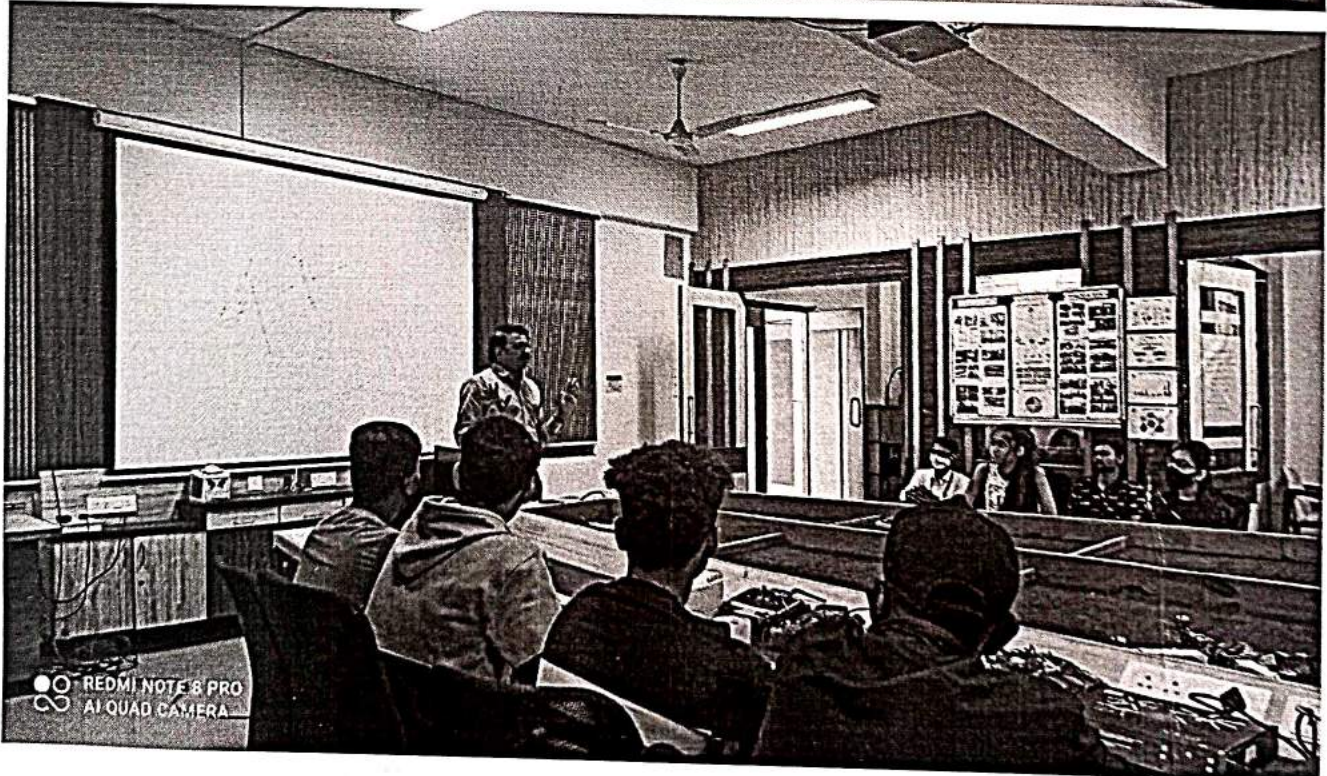

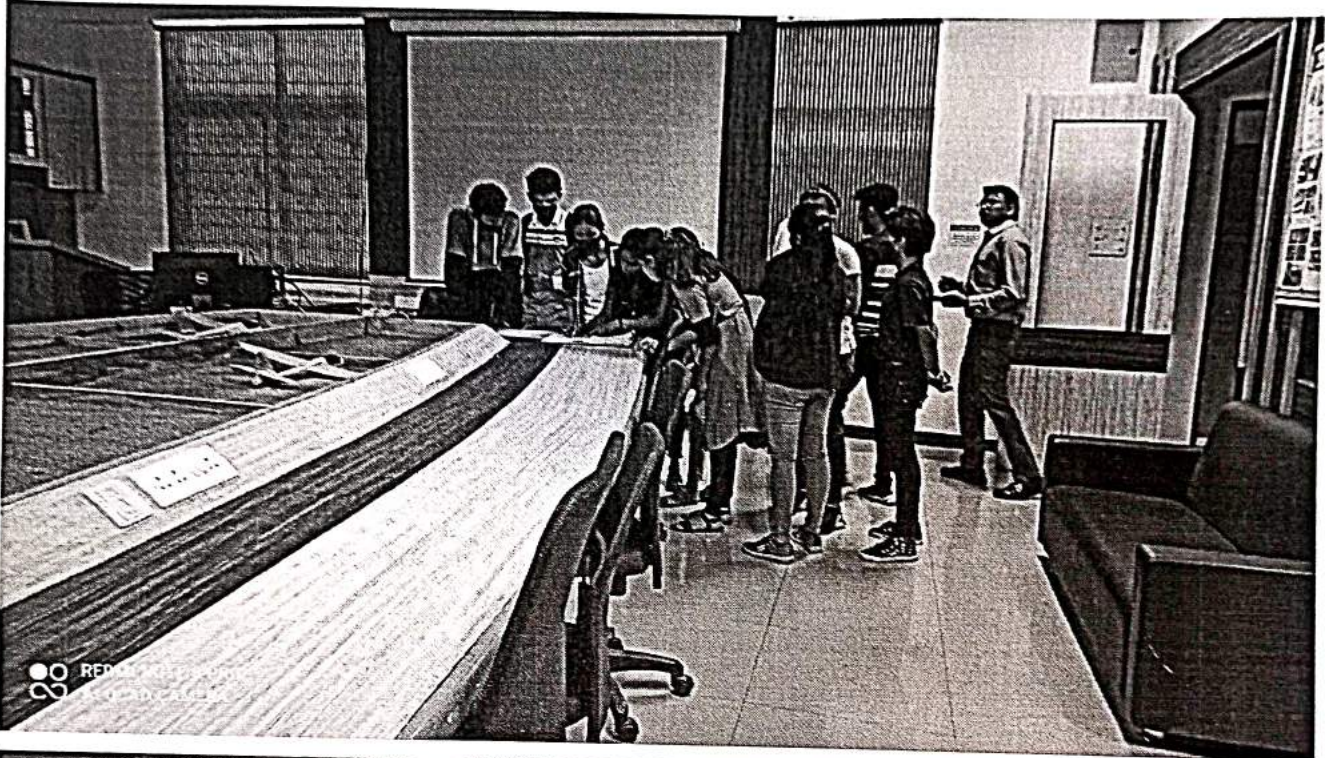

Outcome:

SANDIP Technology Business Incubator promotes innovation and entrepreneurship by converting and translating technology ideas and innovation in various disciplines of science and engineering into products, processes and services for commercial exploitation and the benefit of community. Maker's Space provides the opportunity to innovate while creating real-world applications for classroom concepts and exposing students to new opportunities.

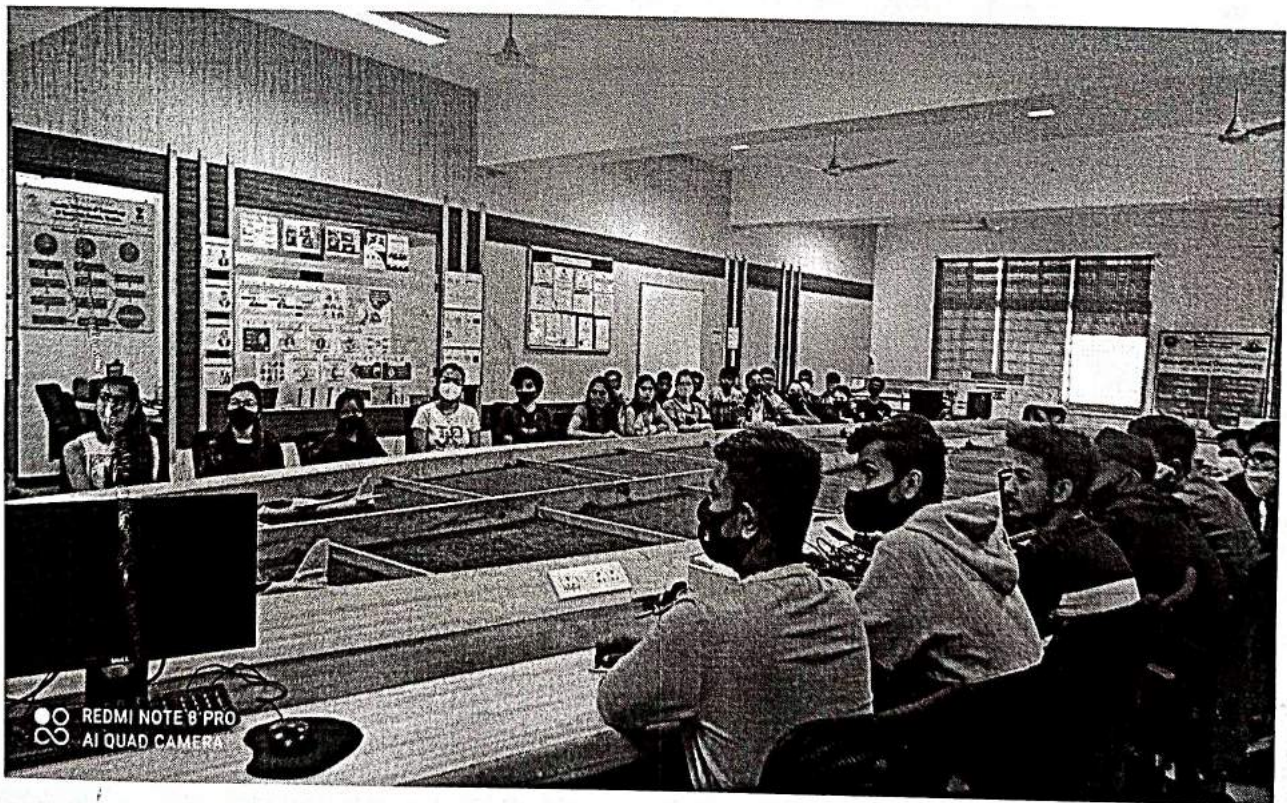

SANDIP Technology Business Incubator in association with Sandip Group of Institutions and various others bodies conducted "Field/Exposure Visit to Pre-incubation units and Makers Space of SANDIP TBI" in which more than 46 students & staff participated.
