Organized by ,

Ministry of Education (MoE) Institute Innovation Council (IIC)

Women In Engineering(WIE),

Engineers Without Border(EWB)

Indian Society for Technical Education (ISTE)

Sandip Foundation's

Sandip Institute of Technology and Research Centre, Nashik

Date: 17th May 2022

Aim: To celebrate World Telecommunication Day -2022

Objective:

Celebration of World Telecommunication Day -2022 and create awareness about technology in students.

Name of the Program: " Online Quiz on World Telecommunication Day -2022"

Venue: Online

Conducted By: Members of MoE IIC, WIE, EWB and ISTE of SITRC, Nashik.

Name of the resource Person: Nil

Audience: Students, faculty etc.

Outcomes:

World Telecommunication and Information Society Day (WTISD) has been celebrated annually every 17 May since 1969 to mark the founding of ITU and the signing of the first International Telegraph Convention in 1865.

The COVID-19 crisis has not only highlighted the critical role of information and communication technologies (ICTs) for continued functioning of societies but has also brought to the fore the startling digital inequalities between and within countries.

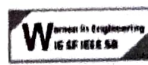

Ministry Of Education (MoE) Institute Innovation Council (IIC), Women's in Engineering (WIE), Engineers Without Border (EWB) and Indian Society for Technical Education (ISTE) in association with the Department of Electronics and Telecommunication Engineering has organized a Quiz competition for students. 30 students, faculty from various colleges participated in this online activity through which we tried to create awareness of national technology and its importance.
