Aim :

To appreciate the role played by teachers in the life of students.

Objectives:

- 1) To Enhancing quality learning, working for the benefit of the whole community
- 2) To provide learning on the go, improving and maintaining their well-being

Outcomes:

- 1) Students learn to be confident from teachers. They teach strength of hundreds daily.
- 2) To face a lot of challenges and improve ourselves and always try harder to make you a better person.

Summary Report of Teachers Day-2022

Teacher's Day is celebrated in India every year on 5th September to appreciate the role played by teachers in the life of students—the leaders of tomorrow. The day is also celebrated to pay tribute to **Dr. Sarvepalli Radhakrishnan**, former President of the country and a visionary educator. Teachers provide the power of knowledge and education and create possibilities for better future.

Computer Department students of Sandip Institute of Technology & Research Center, Nashik celebrated this day with great enthusiasm in Computer Department seminar hall on **5th September, 2022 at 3 p.m.** The whole event was planned by **Dr. Amol Potgantwar**, HOD Computer Department and Prof. Abhay Gaidhani, CESA Coordinator.

The programme was attended by all the staff members of Computer Engineering department, student of Second year, Third year and final year Computer Engineering. Managing Committee & **HOD Dr. Amol Potgantwar** sir graced the occasion with their presence.

The programme commenced with a shloka recital & Anchoring by Miss. Komal Patil & Miss Gunjan Patil. This was followed by a prayer song & dance by Miss. Dimpal Rane (TE Student).

The HOD sir in his address urged the teachers to add value to their pedagogy through experimental learning. He also motivated all students of engineering through his speech on Teachers day. The cultural programme started with a dance performance invoking the blessings of Lord Ganesha. Poem and importance of Teachers day was explained by TE Student Mr. Swadesh & Mr. Bhushan. A comic act on '**Teaching in today's era**' and an Indo-Western dance performance by the students of SE & TE Computer added beauty to the programme. Students shared their experiences in this organisation.

Ms. Vaishnavi Patil spoke on the inherent qualities to be a successful teacher. All teachers cheered and motivated their colleagues with a wide smile.

Dr. Amol Potgantwar sir in his address appreciated the efforts put in by the teachers and all the students of Computer Engineering department.

All staff & students enjoyed the delicious snacks and cold drink after the program.

The entire programme was applauded by everyone present and will always remain a beautiful memory in the hearts of one and all present.
