Academic Year 2022-23
Report on "Industrial Visit to Seva Engineering"

1. Event Title: Industrial Visit to Seva Engineering for SE Mechanical students

2. Event Date: 17/12/2022

3. Event Conduction Duration: 11 am to 3 pm

4. Event Venue: Seva Engineers, Satpur Nashik

5. Event Resource Person Details: Mr. Vilas Sonawane , Seva Engineers

6. Name of Event Coordinator: Prof S D Katkade, Prof P S Garudkar

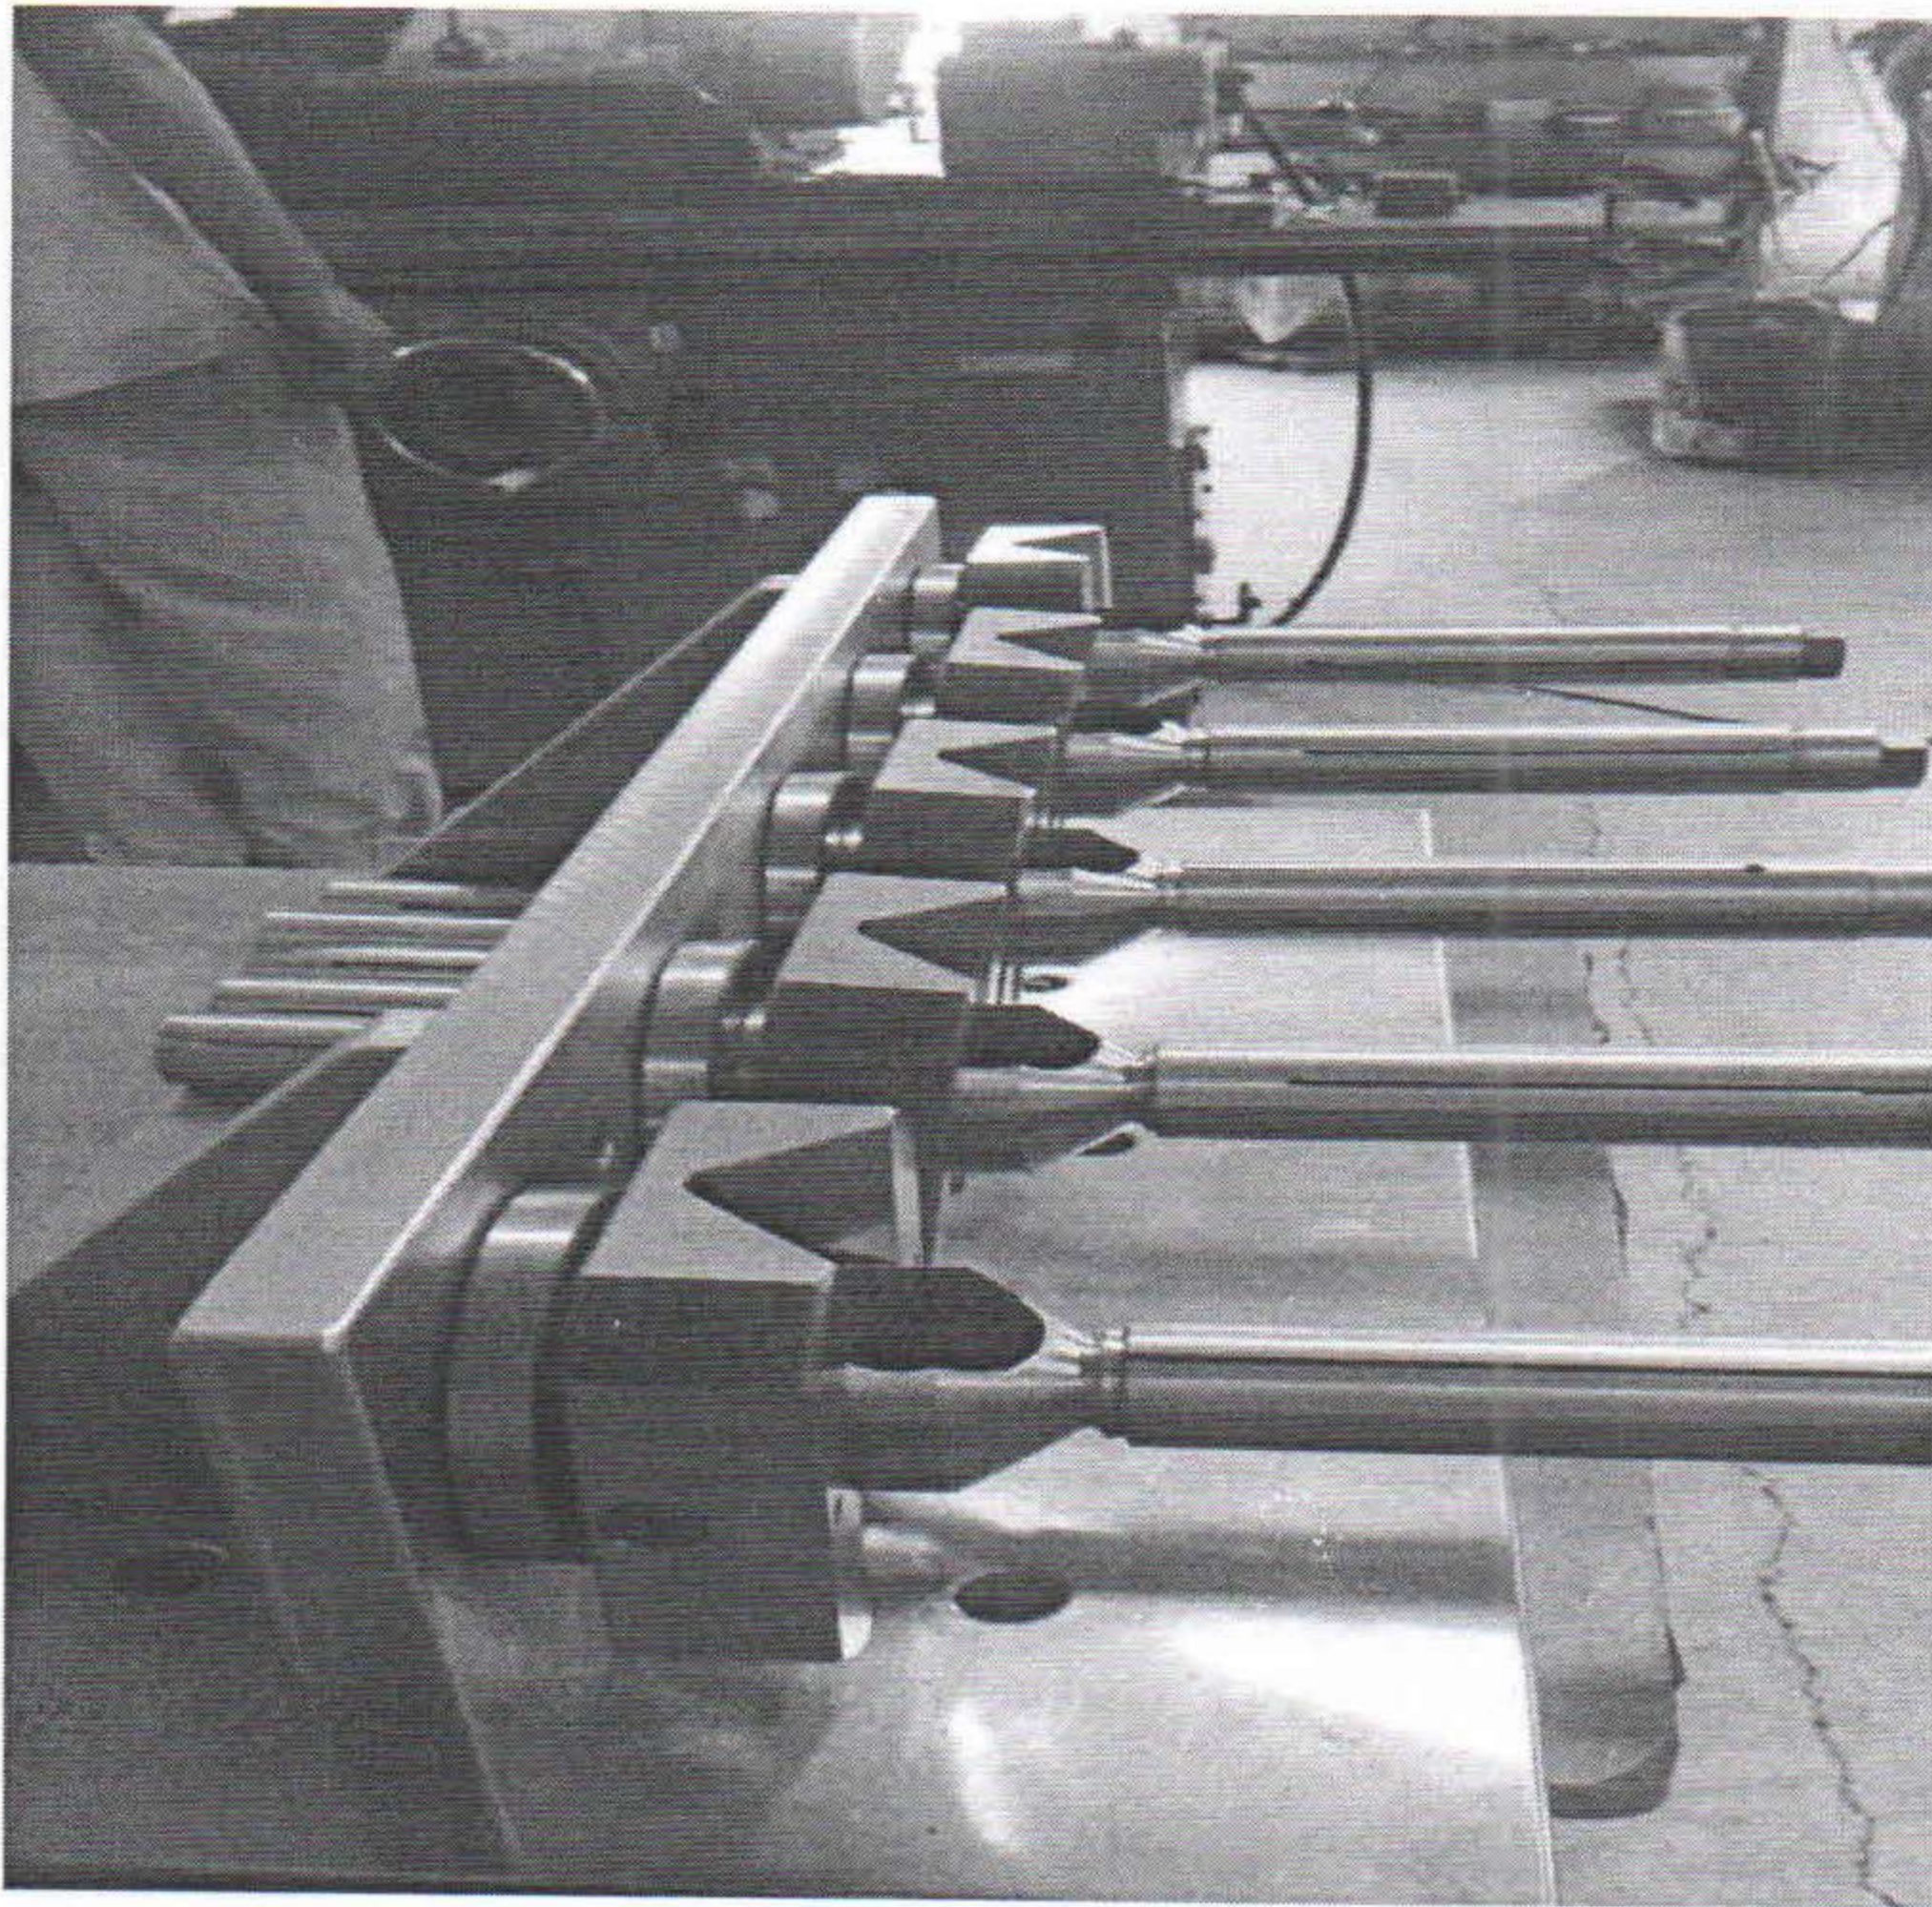

7. Event Objectives & Outcomes

- **Objectives of Activity:** To visit industry to study industrial drawing, basic Geometric Dimensioning & Tolerance concept and its use in industry.
- **Outcomes of Activity:** Students visited Seva Engineers and studies all the concept practically

8. Description of Event: Students of Second year of mechanical Engineering visited the Seva Engineers, Satpur Nashik on 17th December 2022. Prof S D Katkade Prof P S Garudkar and Prof P. A. Gade along with the students present for the visit. Mr., Vilas Sonawane owner of industry explained the concepts of Jigs, fixtures, dimension tolerances based on type of fit, surface roughness symbols based on manufacturing process, position tolerances with applied material conditions.
