Tiwari**

CEO,
Cognifront,
Nashik.

**10
DEC
2022**
SATURDAY
**01:00 PM
TO
04:00 PM**

Sandip TBI , Nashik

Suchit Tiwari (सुचित तिवारी)

CEO, Cognifront.com

At Cognifront, Suchit led development of 9 products. He is also an author at large developer community CodeProject.com Before Cognifront, Suchit worked at GE. Suchit created the India team for GE Historian industrial product and led development of 2 successful releases. He also led complete development of GE Proficy RX software for pharmaceutical industries. He also designed and developed GE Sensing OPC Server for oil & gas industries. He is the recipient of the CEO Innovation Award for his pioneering work at GE.

Prior to GE, Suchit worked at Oracle Corporation where he delivered Oracle CADView 3D product which is part of Oracle PLM eBiz Suite. Before Oracle, he worked at Microsoft Corporation and delivered excellent software libraries for Java language version of Microsoft called J# (J sharp) .NET during the very early releases of the .NET platform.

Suchit holds M.S. Computer Science & Engineering from BITS Pilani and BE Computer Science & Engineering from Pune University - both with Top distinction. He is merit ranker in HSC & SSC and has Gold Medals in Mathematics at National & State Levels. He holds several Best Paper Awards for his technical publications.

To gain insight into the T/L Process, Suchit has taught courses at B.E. and M.S. level for C#, Image Processing, Windows Programming, and Software Architecture. He is Life Member of the Computer Society of India (CSI). Suchit plays Tabla (तबला : Indian Percussion Musical Instrument) He spends his relaxation time with books & music.

Report On

“Scope of Innovation in the field of Mixed Reality”

10th December 2022

Held at

Sandip Foundation’s

Sandip Institute of Technology and Research Centre, Nashik

Organized By

**SANDIP
FOUNDATION**

E&TC Department

and

Students Club of Indigeneity for Nurturing Individuals Talents (SCINIT)

Club

Funded by

All India Council for Technical Education

Under

**AICTE-Scheme for Promoting Interests, Creativity and Ethics among
Students (SPICES)**

Date: 12.12.2022

Name of Event: Scope of Innovation in the field of Mixed Reality

Date of Event: 10th December 2022

Type of the Event: Workshop

Duration of Event: 1 Day

Name of Organizer: Students Club of Indigeneity for Nurturing Individuals Talents (SCINIT) Club

Name of Event Coordinator:

Mr. Atharv Rupde, Students Club Member

Prof. Jagdish A. Patel- Faculty Co-Coordinator, Nashik

Dr. Gayatri M. Phade, Faculty Coordinator, Nashik

Name of Speakers:

1. Mr. Suchit Tiwari, CEO, Cognifront, Nashik

Detail of Participant with Count: 44 Students – UG students and Startup

Objectives:

To know the importance of Mixed Reality and its applications in various others domains

Outcome:

Students come to know the different aspect of mixed reality and its application.

About Sandip Foundation's

Sandip Institute of Technology and Research Center (SITRC), Nashik

Sandip Foundation was established in 2005 with the core objective of rendering selfless and dedicated, service to higher education in the disciplines of Engineering, Sciences, Management Studies, Polytechnic and Pharmacy. The visionaries of Sandip Foundation have been involved in the field of higher education since last Twenty years. During this period they have provided the most valuable service to thousands of students across the country.

Sandip foundation is educational institution which strives to form technocrats who will build more just and humane world. It strives for an intellectual endeavour that focuses on critical and creative thinking, with the aim of social transformation. The college makes a preferential option for the marginalized and it seeks to forge all-around development, inculcating both human and spiritual values. The relentless pursuit of new horizons in research, teaching and cultural service is what the foundation considers its mission to be. Sandip Foundation takes pride in its 250+ acre campus in Nashik with facilities at par with the best in the world. Sandip Foundation's Sandip Institute of Technology and Research Centre is recognized by the Savitribai Phule Pune University (SPPU), and is approved by AICTE. Sandip Institute

of Technology and Research Centre offer various disciplines viz. Computer, IT, Mechanical, Electronics and Telecommunication, Civil, Electrical, MBA, UG and PG education along with research.

We have fully fledged "Innovation and Entrepreneurship Development Cell" supported by Department of Science and Technology, Govt. of India and we also signed up MoU with IEEE Bombay Section for "IEEE Techno Entrepreneur Programme", An IEEE certified Incubation Facility in the same context. The objective of these proactive initiatives is to nurture the ideas generated by Young Innovators in the nearby ecosystem so as to put forth thrust in fostering outcome based entrepreneurial culture. Initiated the REVATI (Rural Empowerment and Vamping of Agriculture and Tribal Innovations) Cell Collaborated with BARC, DAE, Govt. of India under AKRUTI (Advanced Knowledge and Rural Technology Implementation) for improvising Techno-Rural Entrepreneurship. Ministry of Education, Govt. of India has established an 'Innovation cell' with a purpose of systematically fostering the culture of Innovation in all Higher Education Institutions (HEIs) across the country. With this vision we have established Institution's Innovation Council in our institution and up till now, we have organized 27 events till now. Sandip Foundation's Sandip Institute of Technology and Research Centre have secured a prestigious 'A' grade with comprehensive score of 3.11 CGPA on the scale of 4 as declared by National Assessment and Accreditation Council, Bengaluru (NAAC). Also received number of awards and rankings.

Introduction to SPICES Schemes

Scheme provides financial support to institutions for developing students club for well-rounded development of students by promoting their Interests/Hobbies, Creativity/ Imagination/ Innovation and Ethics/ Value through a range of student activities. This club should serve as a model for other clubs in the institution and also those in other institutions.
