Sandip Institute of Technology & Research Center, Department of Information Technology organized “Alumni Interaction Program” for the BE IT students on 28th January 2023. Students of Department of Information Technology attended the Program. Event started with the address of the Head of Department Dr. Dr. V. N. Waghmare has given all the information about departmental goals and objectives towards students and the alumni.

The Alumna interaction is an event for old relationships to be cherished, refreshed and new ones to be formed. The program activities are linked to the key strategic goals of the carrier, namely enhancing the Student Confidence, developing excellence in learning and encouraging students for their future.

The objective of the program is to address the students about their carrier and assisting them in their academic journey. The Alumna addressed the students with the current market condition and with existing techniques. The alumna shared their experiences with the students, which helped the students for focusing on their aims and goals.

Some Glimpses of the event are as follows:

Ms. Sneha A. Khaire
