

Faculty Name: Chaudhari Ashwini Chandrakant

Designation: Assistant Professor

Mail ID: ashwini.chaudhari@sitrc.org

Contact No: 7387330751

BIO

I, Chaudhari Ashwini Chandrakant has received the B.E. and M.Tech. degree in electrical engineering. She is currently an Assistant Professor in the Department of Electrical Engineering, SITRC, Nasik, India. He has published a number of paper in national & international journal on various topic in electrical engineering. Her research interest is in electrical power system. This includes knowledge of power generation, operation and control. She has supervised many UG students. Besides teaching, Prof. Chaudhari has 3.5 year industry experience which reflects in the practical laboratory work.

Qualification:

1. DEE (Electrical Engineering)
2. BE (Electrical Engineering)
3. M.E(Electrical Engineering)

Paper Publications details:

1. International Journal: 1
2. International Conference: 1
3. Article: 00

Area Research Work:

Experience:

1. Teaching experience : 4 Years

Subjects:

1. Power System
2. Basic Electrical Engineering
3. Material Science
4. Power Generation Technologies
5. High Voltage Engineering
6. EIMT
