

Activity Report of
"National Science Day -2023"

SANDIP

FOUNDATION

Organized by

Engineering Sciences and Humanities Department

Sandip Foundation's

Sandip Institute of Technology and Research Center, Nashik

Date: 28th February 2023

Event: National Science Day -2023

Venue: A- Building

Conducted by: Engineering Sciences and Humanities Department

Audience: FE Students

Outcomes: Ever since 1987, our country has been celebrating the National Science Day on 28th February to commemorate the discovery of the 'Raman Effect' by one of the renowned Physicist of India, Sir CV Raman. Science Day is celebrated in India as a powerful advocacy tool to raise public awareness about science and for popularizing science among the masses. The theme for National Science Day, NSD 2023 was 'Global Science for Global Wellbeing'. Engineering Sciences and Humanities Department has organized a Quiz competition for students. Students from various branches had participated enthusiastically in these events.

It was inaugurated by Prof. Dr. J. M. Shah (HOD) from Engineering Sciences and Humanities department, had addressed the gathering with their stimulating thoughts on Science & Technology. Prof. Supriyaa K. Ahire spoke on the importance of National Science Day and the life and works of noble laureate Sir C V Raman., Science and Technology should walk hand in hand to solve the current societal problems.
