Agenda Item: Theft on Campus during Examinations

The meeting was called to order at 10.00am by the Chairperson. The Secretary read out the agenda item, which was a concern raised by the student body about the increasing incidents of theft on campus during examinations.

The Chairperson invited the Campus Security Officer to present their views on the matter. The Officer explained that the campus has implemented various security measures, including CCTV cameras and security personnel, to deter theft and other criminal activities. They mentioned that they take all incidents of theft seriously and conduct investigations to identify the culprits.

The Student Representatives expressed their concern about the increasing incidents of theft during examinations and suggested that more needs to be done to address the issue. They suggested increasing the number of security personnel and restricting access to examination halls.

The committee discussed the matter at length and considered various options. It was decided that the campus security measures would be reviewed and improved during examination periods, including increasing the number of security personnel and restricting access to examination halls.

The committee also discussed the need for increased awareness among students about the importance of safety and security during examinations. It was decided that the administration would launch a campaign to educate students about safety measures and encourage them to report any suspicious activity.

The committee thanked the Student Representatives for bringing up the matter and assured them that appropriate measures would be taken to ensure the safety and security of students during examinations.

The meeting was adjourned at 11.00am by the Chairperson.
