- **Objectives of Activity:** To visit National Association for the Blind Unit Satpur ,Nashik and donate foods, groceries to blind students.
- **Outcomes of Activity:** Students visited National Association for the Blind Unit Satpur ,Nashik and donated foods, groceries to blind students.

7. Description of Event:

The National Association for the Blind, Unit Maharashtra was established in 1984 as a state branch of the National Association for the Blind (India) for the overall welfare of the blind in the state of Maharashtra.

It is a registered body under the Bombay Public Trust Act 1950. NAB's main objective is to provide blind persons with preventive medical assistance, educate and impart vocational training, provide employment and make them self-reliant and resettle economically, Which enables them to be in the main stream of the society and lead an independent life with dignity.

On 2nd March 2023 Department of Mechanical Engineering and Automation Robotics Engineering Department organized social activity at National Association for the Blind Unit Satpur ,Nashik. Engineering Students interacted with the blind students and also seen the teaching methodologies of blind students.

Prof S D Katkade and Prof P S Garudkar coordinated the activity.
