Activity Report
Of

**Workshop on Advances, Recent Issues and
Applications of Machines Learning**

(18th January to 22nd January 2021)

Organized by
Department of Computer Engineering
Sandip Institute of Technology and Research Centre, Nashik

Sandip Foundation's
Sandip Institute of Technology and Research Centre, Nashik
Department of Computer Engineering

Name of Program: Advances, Recent Issues and Applications of Machines Learning

Date: 18th January to 22nd January 202

Resource Person: Dr MB Kokare and Dr DB Kulkarni

Event Coordinator: Prof. Namrata Ghuse

Participants: BE students (Computer Department)

Venue: Computer Department, Class room (C Building)

Aim: The aim of this seminar organized for students to help in how to prepare for campus interview

Objective:

- To get study for the better understanding of the machine learning
- To analyse all possible recent issues in machine learning technology

Outcomes:

- Students were able to understand the importance of machine learning
- Get information about new technology
