Description of Event:

In remembrance of Sir Mokshagundam Vishweshwarayya, the most outstanding Engineer of all times, the Department of Artificial Intelligence and Data Science celebrated "Engineer Day " on 15th September. It was this day 149 years ago that this great contributor to growth and engineering was born. Engineers operate at the interface between science and society. To identify the great works done by our hard working engineers every year, 15th September is celebrated as "Engineer's Day" marking the birthday of Sir Mokshagundam Vishweshwarayya, recognizing his contributions.

The event started by worshiping Lord Saraswati and Sir Mokshagundam Vishweshwarayya. Students felicitated all the staff members. Later Principal sir & Dr. Mangesh Ghonge, Head addressed the importance of the role of students due to the discipline in making them a successful Engineer, which is really a simple and effective key to become a responsible professional. The program included technical competitions for students like Exhibition / Poster Presentation of Ideas , quiz and blind coding. To remember the event students from SE AIDS sang a song on this occasion. The program concluded by vote of thanks by the President of the students association.
