Organized by

Sandip Foundation's
Sandip Institute of Technology & Research centre , Nashik
Department of Engineering Sciences and Humanities

Date-8th March 2022

Aim- : Women's Day Celebration

Venue-: Online

Conducted By :- First year ladies Staff and Students of First year

Name of resource Person:-

Audience:- First year ladies staff & all girls students.

Outcomes :- International Women's Day (March 8) is a global day for celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity.

International Women's Day is a day dedicated to honoring the achievements of women throughout history and all across the globe, and is typically a day for women from all different backgrounds and cultures to band together to fight for gender parity and women's rights.

This year, the theme for International Women's Day is, “**Accelerate Equality: Experience the Impact When you Break the Bias.**” celebrate women's achievements and contributions with a series of events and engagements and celebrates the tremendous efforts by women and girls around the world in shaping a more equal future and recovery from the COVID-19 pandemic and highlights the gaps that remain. First year committee has organized a Quiz competition for students. More than 35 students participated this online activity.

All Women staff members and a few girl students were part of this event.
