**Activity Report
Of
APEX 2.0**

(12th April 2023 To 13th April 2023)

Sandip Institute of Technology and Research Centre, Nashik

Department of Computer Engineering

Name of the Programme: Apex 2.0

Date: 12th April 2023 to 13th April 2023

Event Coordinator: Prof. Abhay Gaidhani

Participants: Students from various colleges

Venue: Computer Department (C Building)

Aim: To provide a suitable platform for overall development of students. Development of presentation skills, reading habits, research abilities, confidence, technical writing, technical skills and self-learning awareness among the students

Objective: The objective of the symposium was to bring the students of various streams from different institutes on a common platform where they were encouraged to share knowledge and innovative ideas. It also aimed to exhibit the talents and skills of the aspiring Engineers both in Technical and Non-technical ways.

Outcomes: The event provided solutions for existing substantial problems such as digitization, technical issues, electricity issues, and other alarming concerns. These technical events guided engineering students, computer engineers, researchers to dream bigger and achieve them.
